To the Honorable Public Utilities Commission of Ohio:

On December 4, 2006, the staff filed its *Report* in Case No. 05-724-EL-UNC, regarding and audit of CG&E's System Reliability Tracker (SRT) data for 2005 and the first half of 2006. Unfortunately, due to an oversight, each page of the filed *Report* contains the following footer: "*Draft – This document was created only for the purposes stated within. It is for staff discussion only and does not reflect the view of the Commission*". This statement should be ignored. The copy of the *Report* which was filed is the actual staff report and not a draft. Staff apologizes for any inconvenience this error may have caused.

Respectfully submitted,

Steven R. Brennen
Director, Utilities Department
