EXHIBIT C

The Applicant, **Arcadia Telephone Company**, hereby wants to grandfather the Advanced Calling Services (ACS) Privacy Pack bundle to existing customers, effective February 15, 2007. The service will not be available to new customers after this date.

No other language or rate changes are being processed with the grandfathering of the Privacy Pack bundle service. Consequently, the Company decided the requirement to send out a customer notice was not necessary for this tariff filing revision.

Because of this filing, the Company realized the need to update Section 5, Ninth Revised Check Sheet 5 to include tariff pages that were added to this Section in previous filings. The information appearing in this tariff sheet is new; however, the actual tariff pages listed next to the symbol "N" are not new or related to this specific filing.
