**Rider 26 - SHOPPING CREDIT ADDER**

This Shopping Credit Adder is effective for bills rendered beginning January 1, 2007 through December 31, 2007. The amount of this adder reflects the fuel deferrals booked during the immediately prior year based on that year's fuel deferrals (calculated by using nine months' actual and three months' projected fuel deferrals.) This adder applies only to customers who receive Generation services from a Certified Supplier.

The Shopping Credit Adder will be applied at the rate of 0.248¢ per kWh.
