RE: TRF Docket No.: 90-9005-TP-TRF

Dear Sir or Madam:

Enclosed for filing please find an original and ten (10) copies of revisions to Qwest Communications Corporation's ("QCC") Ohio PUCO Tariff No. 1.

The purpose of this filing is to introduce a Duplicate Bill Charge for customer requested reprints of monthly bills older than six [6] months. QCC provides six months of bills to customers using the online process at qwest.com and will provide a paper reprint of the bill without charge if it is less than six months old.

Due to a recent IRS decision whereby the IRS will be providing a refund of Federal Excise Tax on certain services paid on bills from March 2003, through July 2006, an increased number of customers may request reprints of prior bills. In order to be responsive to business customers' requests for multiple months of bills, Qwest will offer additional options beside paper reprints. These options, which will be offered for a limited period, include obtaining copies on CD-ROM or via self service online electronic access. The CD-ROM and self service online access will be more cost effective for business customers requesting multiple copies older than six months.

QCC respectfully requests that the proposed changes outlined above become effective January 18, 2007.

Acknowledgement and date of receipt of this letter are requested. A duplicate letter and self-addressed stamped envelope are attached for this purpose. Should you have any questions regarding this filing, please contact me.

Respectfully submitted,

Marie K. Larchick
