ENTRY

The attorney examiner finds:

- (1) Pursuant to the Commission's Entries of November 21, 2006, in the respective cases, a comment cycle requiring the filing of initial comments on January 5, 2007, and the filing of reply comments on January 25, 2007.
- (2) On January 16, 2007, the Ohio Telecom Association (OTA) filed motions for an extension of time to file reply comments in the two above captioned dockets and requested expedited rulings on its requests. Specifically, OTA requests an additional fourteen days for the filing of reply comments due to the quantity of the initial comments. OTA submits that the granting of its motions will not adversely affect a substantial right of any party.
- (3) The motions for an extension of time are reasonable and should be granted on an expedited basis. Therefore, the deadline for filing reply comments in Case Nos. 06-1344-TP-ORD and 06-1345-TP-ORD shall now be February 8, 2007.

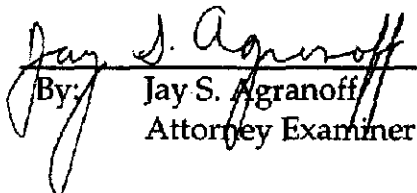

It is, therefore,

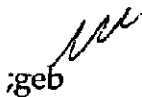

ORDERED, That the motions for an extension of time are granted in accordance with Finding (3). It is, further,
