6. UNLIMITED TOLL USAGE FOR BUSINESS (Continued)

(N)

6.02 CONDITIONS (Continued)

Unlimited Toll Usage for Business does not apply to the following calls or services:

- Operator Handled Calls
- Calling Card Calls
- Per Activation Calls (Busy Redial, *69, Three-Way Calling, Call Trace)
- Directory Assistance Service (Local and National)
- Directory Assistance Call Completion Service
- Verification/Interrupt Services
- 555, 700, 900, 976 Services
- Mass announcement services
- Time, lottery or weather calls

This service may only be used for voice applications and may not be used for the transmission of data, for internet connections, or for any other non-voice application. This service may also not be used for autodialing. Verizon North Inc. reserves the right to restrict the number of other services and/or equipment furnished or used in connection with any particular class of service in order to prevent any impairment in the quality of service furnished. If the customer uses this service for any non-eligible purpose, including, but not limited to, the examples noted above, the Company may suspend, restrict or cancel the service. Details on calls made will not be available for this service. Monthly rates for Unlimited Toll Usage for Business apply per line in addition to B1, CentraNet® or CustoPAK monthly line rates.

Unlimited Toll Usage for Business is available on a Month-to-Month basis or on a One-Year Term commitment. Term agreements are applied per line and are not required to be co-terminus. At the end of the term period or any subsequent renewal, the agreement will automatically be renewed for successive One-Year Terms on the same terms and conditions, unless either party provides advance notice that it does not wish to renew the term. Each subsequent renewal will allow for a 60 day grace period for subscriber to remove the plan without penalty. Pricing will remain the same during any automatic renewal unless Verizon has provided 30 days notice of any change.

In the event the customer terminates service within the first 60 days, starting on the Order Completion Date, the customer will be liable for the monthly charges for the service previously on and no termination liability will be applied. If the customer terminates service after 60 calendar days and prior to the completion of the term commitment period, the customer shall be liable for an early termination charge of 25% of the monthly recurring charge for the remainder of the term per line.

Approval of limitation of liability language by the P.U.C.O. does not constitute a determination by the Commission that the limitation of liability imposed by the Company should be upheld in a court of law. Approval by the Commission merely recognizes that since it is a court's responsibility to adjudicate negligence and consequent damage claims, it is also the court's responsibility to determine the validity of the exculpatory clause.
