Public Utilities Commission of Ohio  
Chief of Docketing  
180 East Broad Street  
Columbus, OH 43215-3793

RE: PUCO Case No. 98-1398-TP-AMT

**Dear Ms. Jenkins:**

Pursuant to the auditing provision of the Joint and Partial Settlement Agreement ("JPSA") in effect in Ohio for Verizon North Inc. ("Verizon") in this docket, which addresses OSS performance measures and related activities such as auditing and reporting procedures, a conference call with interested parties has been scheduled as follows:

[illegible]

**PLACE OF MEETING VIA CONFERENCE CALL BY DIALING**  
**877/602-6583, PASSCODE 2695231#**

Over the past several years, Verizon has conducted state collaborative meetings in California, Florida, Indiana, North Carolina, and Ohio regarding its Operational Support System (OSS) Performance Measures. These meetings have resulted in the adoption of a common set of OSS Performance Measures for use in each of these states. The Performance Measures and related processes are contained in a Joint Partial Settlement Agreement (JPSA) that is applicable in each such state. The JPSA for each state provides that a Joint Steering Committee (JSC) shall convene and determine whether an annual audit of Verizon's OSS is necessary, and if so, the scope of the audit.

The purpose of this notice is to apprise all participants, parties, and interested persons in these collaborative processes and proceedings of a settlement conference at the time and place indicated above to discuss whether an annual audit of Verizon's OSS Performance Measures should occur, and if so, the scope of the audit. Additionally, we are providing notice of the audit call to known interested parties in Oregon and Washington, as the JPSA is also used in those states.

The meeting will be deemed a meeting of the JSC, and any collaborative participant, party or interested person may join and be heard during the settlement conference.

This Notice is being served by email, fax and/or direct mail on all active participants in each of the state collaborative processes, including all parties and entities on the current service list of each applicable state proceeding, as follows: California Rulemaking 97-10-016, Investigation 97-10-017 Service List; Florida Docket No. 000121c-TP Service List; Indiana Cause No. 41324 Service List; North Carolina Docket No. P-100, Sub 133K Service List; Ohio Case No. 98-1398-TP-AMT Service List; Washington Docket No. UT-050814 Service List; and Oregon - Integra.

Sincerely,

Cassandra Cole
