I read with disgust & frustration
that we, the public, might be
paying \$1.25 more for basic
service per mo. & 50¢ more per
mo. for color I.D.

This will certainly put a ~~load~~^{burden}
on us seniors & to the ^{lower} middle
class, especially today in Ohio
with the unemployment rate at the
high rate it is.

I guess the PUCO does not care
about the public, especially if
they do give them a for the
rate.

The sad part is we have no
alternative, if we still want a phone.

I hope the OCC can help denying this
increase. I know you will do all you can.
Thank you.

senior)
