- a. The Telephone Company furnishes Directory Assistance Service whereby customers may request assistance in determining telephone numbers.
- b. The rates specified in Section 3 below are not applicable to calls placed from pay telephone stations, or from hospitals and skilled nursing homes.  - ii. Residential impaired customers or impaired members of a customer's household, upon written application and upon certification of their impaired status, which is evidenced by either a certificate from a physician, health care official or state agency or a diploma from an accredited educational institution for the impaired, may receive a discount off their message toll service rates, and, if they utilize telebraille devices, they may receive free access to local and intrastate long distance directory assistance. Additionally, TDD lines maintained by nonprofit organizations and governmental agencies, upon written application and verification that such lines are maintained for the benefit of the impaired, may receive a discount off their message toll services rates.
