SECTION 4 - TOLL AND OPERATOR SERVICES, *Cont'd.***4.5** Service Descriptions, *Cont'd.***4.5.31** Citizens Select Calling Plan

Citizens Select Calling Plan is a long distance plan that allows the Business Customer to access the Company's network via switched or dedicated access facilities. Service is offered for 1+ Switched Access Service, 800 Service, Dedicated Access Service, and Calling Card Service.

1+ Switched Access and 800 Services are flat rated and billed in six second increments with an eighteen second minimum per call.

Dedicated Access Service is flat rated with additional monthly recurring charges and initial non-recurring charges. All Dedicated Access Service calls are billed in six second increments with a minimum of twelve seconds per call.

Calling Card Service is flat rated with a per call surcharge. All Calling Card Service calls are billed in six second increments with a minimum of thirty seconds per call.

1+ Switched Access Service and 800 Service Customers may select a discounted flat rate plan by enrolling in a one, two, or three year term plan and committing to an annual net usage level of \$1,200, \$6,000, \$12,000, \$24,000, or \$60,000. Dedicated Access Service Customers may select a reduced flat rate plan by enrolling in a one, two, or three year term plan and committing to an annual net usage level of \$24,000, \$60,000, or \$120,000. Customers must select both an annual volume commitment and a term plan to qualify for enrollment and the associated rates. All long distance usage contributes to the annual volume commitment. If after the end of the term commitment, the Customer has billed less than the annual volume commitment they will be billed the difference between actual usage and the annual volume commitment.

The Customer may exit the term agreement during the initial ninety (90) days of the term without termination liability. If the Customer discontinues service after the initial ninety (90) days but prior to completion of the term commitment, the Customer will be billed the difference between the accumulated usage under the term commitment and the minimum annual volume commitment for the current year. In addition, the Customer will be billed the minimum annual volume commitment multiplied by the number of years remaining under the term commitment.

In the event of a rate increase, by the Company, the Customer may discontinue service within sixty (60) days without termination liability.

SECTION 4 - TOLL AND OPERATOR SERVICES, Cont'd.**4.5 Service Descriptions, Cont'd.****4.5.34 FrontierWorks LD**

FrontierWorks LD is a non-distance sensitive product that includes direct dial 1+ outbound service and (8XX) toll free inbound service. Pre-subscription of the primary line is required to subscribe to FrontierWorks LD offered by Frontier Communications of America, Inc. (FCA). This plan is available to customers of local exchange companies (LEC) with whom the carrier has a billing and collections contract, and are enrolled in the FrontierWorks Small Business Solutions product offered by that associated LEC. This product is only available in conjunction with the FrontierWorks LD plan from Frontier Communications of America, Inc.'s interstate Domestic Price List.

Term plans and termination liability that the customer agrees to for FrontierWorks LD in conjunction with the FrontierWorks Small Business Solutions product can be found in the local exchange tariff of FCA's associated LEC.

A. Rate Structure

FrontierWorks switched calls are non-distance sensitive, flat-rated, with the following rating periods:

Monday - Friday		Saturday & Sunday
D= Day	8:00 AM - 4:59PM	N = Night 12:00 AM Saturday through 11:59 PM on Sunday.
E= Evening	5:00 PM - 11:59PM	
N= Night	12:00 AM - 7:59AM	

B. Usage Charges

Customers enrolled in this product will receive a total of 100 free direct dial 1+ and (8XX) toll free interstate, interLATA or intraLATA minutes per month, measured at the account level. Any usage above the allotted free minutes will be subject to an overage rate that can be found in the rate section of this tariff.

SECTION 4 - TOLL AND OPERATOR SERVICES, Cont'd.**4.5 Service Descriptions, Cont'd.****4.5.34 FrontierWorks LD (cont'd)****B. Usage Charges (cont'd)**

A single optional Block of Time (BOT) quantity of minutes can be ordered in conjunction with FrontierWorks LD in monthly increments of 250, 500, and 1000 minutes, for an additional monthly recurring charge (MRC). The MRC for the BOT is applied at the account level and can be found in the FrontierWorks LD plan from FCA's interstate Domestic Price List. Any usage above the 100 free minutes and the BOT minutes will be rated at an intrastate overage rate per minute, and these rates can be found in the rate section of this tariff. Overage rates may vary depending upon which BOT is selected. If a new customer to FrontierWorks LD signs up mid-billing cycle, free minutes and the BOT minutes will be prorated. If moving between BOTs, minutes will be prorated based upon the number of days of that billing cycle and will be charged the appropriate overage rate for the BOT selected at the time the call was completed. Usage will be billed in arrears. Excluded from the BOT minutes are: long distance Directory Assistance, calling cards, and 900 calls.

In the event a customer has multiple lines on their account, and any of the auxiliary lines are not on the FrontierWorks Small Business Solutions product of the associated LEC, those lines are not eligible for the 100 free minutes or a BOT selection offered by FrontierWorks LD. If a customer selects an FCA product for auxiliary lines other than FrontierWorks, the customer will be subject to the rates, terms and conditions of that product.
