RE: **Case No. 06-1425-TP-ZTA - 2nd Amendment**
McLeodUSA Telecommunications Services, Inc. ("McLeodUSA")
90-9087-TP-TRF

Dear Docketing Division:

Enclosed please find an original and ten copies of corrected and supplemental pages to McLeodUSA Telecommunications Services, Inc.'s ("McLeodUSA") Telephone Tariff No. 2 revision filed on December 5, 2006 (06-1425-TP-ZTA). Per discussion with Robbin Russell, McLeodUSA respectfully requests that the attached Sheet No. 134 replace Sheet No. 134 of the original filing. The Operator Service Additional Charges on Sheet No. 134 have been adjusted to correctly reflect the customer notice under Exhibit D of the tariff filing.

Also, McLeodUSA respectfully requests that the attached Responses to the PUCO Memorandum be added to the end of Exhibit E of the tariff revision filing. This additional page has the responses to the Operator Services questions contained in the PUCO memorandum, which is already in Exhibit E. Exhibit E was filed in the 1st Amendment to Case No. 06-1425-TP-ZTA and contains the memorandum from the PUCO representative, Robbin Russell, and the responses to the memorandum questions regarding Account Service Fee.

The Issue Date of December 5, 2006 and Effective Date of December 15, 2006 should remain the same. Please file stamp the extra copy and return it to me in the enclosed, self-addressed, stamped envelope. If you have any questions, please contact me at jredman-carter@mcleodusa.com or (319) 790-2250.

Sincerely,

Julia Redman-Carter

Questions 1 - 4 in the January 30, 2007 Memorandum from Robbin Russell, and Updated Responses to Questions 2 and 3 regarding Operator Services.

1. Page 38, Section 2.8.1 – Incorrect section reference.

Response: The reference has been changed from "Section 4.1" to "Section 5.1." Please see the corrected 1st Revised Sheet No. 38 that is attached to this amended filing.

2. Page 134, Section 5.3.11 – The proposed "Person -to-Person" rate is set above the caps set forth in the rule; is the Company complying with the disclosures rules which permits for an exemption from the rate caps?

Response: McLeodUSA does not qualify for an exemption. Accordingly, the rate for the Person-to-Person call has been dropped to \$2.75, which is within the caps set forth in the rule.

3. Exhibit D, Operator Services Customer Notice – Some of the rates listed in the customer notice for Operator Services are different than the rates set forth in Section 5.3.11 of the tariff, which rate is correct?

Response: The rates in the notice are the correct rates. Sheet No. 134 has been adjusted to reflect the correct rates that are consistent with the customer notice.

4. Exhibit D, Account Service Fee Customer Notice – How will the Company convey the account service fee charge to new subscribers?

Response: In addition to listing it in the tariff, the Account Service Fee has been incorporated into the Terms and Conditions of the Contract for business customers. The Terms and Conditions are available for viewing by the general public on the corporate website. We are in the process of adding the Account Service Fee to the Welcome Package and Third Party Verification.
