Issued: February 9, 2007

Effective: February 9, 2007

In accordance with an Order issued by the Public Utilities Commission of Ohio, dated January 6, 2003, Case No. 02-3069-TP-ALT.

By Connie Browning, President, Cleveland, Ohio

AT&T Ohio hereby revises Part 5, Section 1 of its AT&T Ohio Tariff P.U.C.O No. 20 to change the business Caller ID with Name rate information in the Centrex part of the tariff, from a specific rate to a rate reference to the business Caller ID with Name rate found in Part 7 Section 2 of the tariff.

The rate for business Caller ID with Name increased on 2-15-04 and on 4-1-06, at which time, all impacted business customers, including Centrex customers, were notified of the increases. The tariff pages in Part 7 Section 2 of the tariff, reflecting these increases, as well as the customer notices informing all impacted business customers, including Centrex customers, of these increases, are also provided as a part of this filing.

Advanced Customer Calling Features, which include Caller ID with Name, are detailed in Part 7 Section 2 of the tariff. Part 7 Section 2 of the tariff was appropriately updated to reflect the 2-15-04 and the 4-1-06 business Caller ID with Name rate increases. The business Caller ID with Name rate is also referenced in Part 5 Section 1, the Centrex section of the tariff. However, the business Caller ID with Name rate in Part 5 Section 1 of the tariff was not updated to reflect the 2-15-04 or 4-1-06 business Caller ID with Name rate increases. Nevertheless, having been appropriately noticed, Centrex customers have been charged the revised Caller ID with Name rates consistent with Part 7 Section 2 of the tariff and with the attached notices that they received advising them of the rate increases.

AT&T Ohio is undertaking this tariff filing today, in order to prevent similar situations from occurring in the future. Greater efficiency and less opportunity for error will result from rate referencing Part 7 Section 2 of the tariff relative to the business Caller ID with Name rate, rather than continuing to allow the same rate to appear in multiple parts of the tariff.

AFFIDAVIT OF MARYANN H. MACKEY

Maryann H. Mackey, being first duly cautioned and sworn, deposes and says as follows:

1. I am the Senior Director – Regulatory Affairs for AT&T Ohio, where one of my responsibilities is to prepare tariff applications such as the one this affidavit supports.
2. I am aware of the rule of the Public Utilities Commission of Ohio, Ohio Admin. Code Section 4901:1-6-17 that applications for abandonment of all services, withdrawal of a service, amendment of a certificate, change in carrier's name, price increases, and changes in terms and conditions of an existing service, must contain an affidavit attesting that prior actual customer notification was provided to the affected customers by bill insert, bill message, direct mail, or, if the customer consents, electronic mail. For cases in which the Commission review period is 30 days or less, the notice must be sent to customers at least 15 days prior to filing the application with the Commission. For cases in which the Commission review period is greater than 30 days, the customer notice must be filed simultaneously with the application being filed at the Commission. In addition to the affidavit, the application, when filed at the Commission, must include a copy of the actual notice that was sent to affected customers.
3. I have worked with our corporate customer notification group and have confirmed that a customer notice meeting the test of that rule has been provided.
4. Therefore, on information and belief, I hereby attest that the tariff application that this affidavit supports meets the requirements of that rule.
