MEMORANDUM IN SUPPORT

The OCC requests a subpoena, pursuant to Ohio Adm. Code 4901-1-25, to command Jason Barker to appear and to submit to oral deposition as on cross-examination on March 2, 2007 at the offices of the OCC (10 W. Broad Street, 18th Floor, Columbus, Ohio 43215) at 11:00 a.m. (or other Ohio location as agreed to by the OCC for that date and time) and attend from day to day until the deposition is completed by the OCC in the above-captioned proceedings.

The above-captioned cases all involve Duke Energy Ohio, Inc.'s standard service charges. The agreements entered into by Duke Energy Ohio, Inc., directly or indirectly using its affiliated companies, is expected to be central to the issue of side agreements that is the subject of the Ohio Supreme Court's recent remand of Case Nos. 03-93-EL-ATA,

et al. *Ohio Consumers' Counsel v. Public Util. Comm.*, 111 Ohio St.3d 300, 2006-Ohio-5789. The side agreements figured prominently in the Court's recent decision, and were the subject of a November 29, 2006 Entry by the Commission issued in many of the above-captioned cases. Side agreements also figured prominently in a recent Complaint filed by John Deeds, a former employee of one or more Duke-affiliated companies.² Mr. Deeds claims that Duke Energy Ohio, Inc. used DERS agreements with customers to circumvent the requirement that Duke Energy Ohio, Inc. properly charge its customers for electric service and that DERS was used as a veil to conceal agreements that were sought in connection with the litigation before the PUCO.

Mr. Barker was previously employed by Duke Energy Ohio, Inc. during the time of the litigation of the Duke Energy Ohio, Inc.'s rate stabilization plan case (Case No. 03-93-EL-ATA, et al.), and would make it likely that Mr. Barker is knowledgeable about the agreements entered into by DERS and that he will be able to provide information regarding these matters. Mr. Barker's full participation in the examination will facilitate a full and complete development of the cases before the Commission, including the ultimate record upon which the Commission will base its decision.

Additionally, the subpoena should also compel the witness to bring with him, and provide to OCC at 10:00 a.m. on said day and at said place all documents in the possession or control of Mr. Barker that contain information regarding agreements between any and all companies affiliated with Duke Energy Ohio, Inc. (including Duke Energy Retail Sales, "DERS," formerly known as Cinergy Retail Sales) and customers of Duke Energy

² *Deeds v. Duke Energy Corporation et al.*, United States District Court, Southern District of Ohio (Western Division), Case No. 1:06CV835, Complaint (December 7, 2006).

Ohio, Inc. The documents should include those in the possession or control of Mr. Barker pertaining to the aforementioned agreements or relating to his involvement and knowledge of (direct or indirect) events and communications that involve the agreements, including any backup documentation or raw data.

The period of time covered by the aforementioned materials should begin on December 15, 2003 and continue to the date of the examination. This information is central to understanding and addressing the issues related to Duke Energy Ohio, Inc.'s proposed standard service charges and the support that has been shown by some parties for Duke Energy Ohio Inc.'s proposals in Case Nos. 03-93-EL-ATA et al.
