OHIO EDISON COMPANY	)	
	)	
RESPONDENT,	)	

**ANSWER OF  
OHIO EDISON COMPANY**

Comes now Respondent, Ohio Edison Company ("Ohio Edison"), by counsel, and for its Answer to the Complaint filed in the instant action says that:

1. Ohio Edison is a public utility, as defined by §4905.03(A)(4), O.R.C. and is duly organized and existing under the laws of the State of Ohio.
2. Complainant's narrative Complaint is not in a form allowing specific admission or denial as to individual allegations. Accordingly, Ohio Edison generally denies the allegations set out therein.
3. Ohio Edison further avers that it has, at various times, provided electric utility service to premises located at 4855 ½ St. Rt. 545 UPPR, Ashland, Ohio 44805 ("Premises").
4. Ohio Edison further avers that it currently maintains an account in the Complainant's name, which account reflects charges incurred for the provision of electric utility service.

5. Ohio Edison admits that a landlord agreement exists between Complainant and Ohio Edison.

6. Ohio Edison avers that an account balance of \$443.58 exists for electric service rendered to Premises, Account No. 110049788471, from April 11, 2006 to September 12, 2006.

7. Ohio Edison denies the allegations set forth in numbered sentences 1-8 of the Complaint.

8. Ohio Edison generally denies all allegations set forth in the Complaint that were not otherwise specifically addressed hereinabove.

**For its affirmative defenses, Ohio Edison further avers that:**

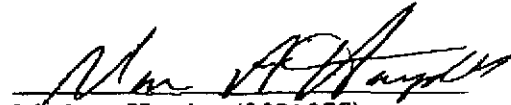

9. Ohio Edison has breached no legal duty owed to Complainant.

10. Complainant has failed to state reasonable grounds for complaint or upon which its requested relief may be granted.

11. Ohio Edison has at all times acted in accordance with its Tariff, PUCO No 11, on file with the Public Utilities Commission of Ohio, as well as all rules and regulations as promulgated by the Public Utilities Commission of Ohio, the laws existing in the State of Ohio, and accepted standards and practices in the electric utility industry.

WHEREFORE, having fully answered the Complaint, Respondent, Ohio Edison Company, respectfully requests that the instant action be dismissed, and that it be granted any other relief that this Commission may deem just and reasonable.

Respectfully submitted,
