To: Docketing Division
From: George Martin, Grade Crossing Planner, Rail Division
Re: PUCO Case No. 07-170-RR-FED
Date: March 1, 2007

On February 20, 2007 staff opened this docket with a memo requesting an Entry ordering the Indiana & Ohio Railroad (INOH) and the Indiana & Ohio Railway (IORY) to construct two active grade crossing warning devices, one in Clinton County and one in Champaign County.

Subsequent communication with the parent company, RailAmerica, has revealed that due to a merger both crossings are owned by the Indiana & Ohio Railway Company (IORY). Staff requests that its prior memo be amended for purposes of the to reflect both crossings as being operated over by IORY.
