06-1235-EL-CSS

Dear P.U.C.O.

I appreciate the time and consideration you have given me in this matter. But after doing some research into previous cases of similar matter I respectfully withdraw my request for a hearing in this matter case no. 061235-EL-CSS. I still feel my position has merit but I have neither the time or resources to try and prove it to the point a ruling would go in my favor. A.E.P needs to keep their lines clear of ~~the~~ limbs and other debris and they don't deserve a rate increase because of it!!
