BEFORE

THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Authorization of CSX)	
Transportation to Initiate a Corridor Project in)	Case No. 06-457-RR-FED
the City of Oxford, Butler County.)	

ENTRY

The attorney examiner finds:

- (1) By examiner entry of March 23, 2007, CSX Transportation (CSX) was granted an extension of time from April 10, 2007, until May 10, 2007, to complete a corridor project in Butler County involving the installation of lights and gates at the grade crossings located at East Chestnut Street (154-079C), State Route 732/Main Street (154-080W), West Central Avenue (154-081D), and the upgrade of circuitry at the West Spring Street grade crossing (154-083S).
- (2) The ordering paragraph of the March 23, 2007 entry inadvertently stated that CSX was granted until April 10, 2007, to complete the project. The March 23, 2007 entry should be corrected to order that the extension is granted until May 10, 2007.

It is, therefore,

ORDERED, That the March 23, 2007 entry is corrected in accordance with finding (2). It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
