Services may generally be described as telecommunications services, which are custom designed to meet unique customer requirements on a one-time basis. Such services may be provided by BTS solely or in conjunction with another communications carrier.

General: The service is furnished on the condition that it will be used only for authorized and lawful purposes. The service is offered subject to the availability of facilities and may be limited from time to time for reasons beyond the control of Company. Company has the right to limit the manner in which any portion of its telecommunications network ("Network") is used to protect the technical integrity of the Network. Customer has the right to purchase additional like products at the price specified herein.

Equipment/Installation/Interconnection: The Company shall use reasonable efforts to make available services to a Customer in accordance with Minimum Telephone Service Standards ("MTSS"), on or before a particular date, subject to the provisions of and compliance by the Customer with the regulations contained in the tariff referenced in the Services section above. Where a Customer-unique service is being provided and/or where another carrier provider is involved in service provisioning, and the Company is unable to meet an MTSS standard interval, such appropriate information will be communicated to the Customer by the Company. In such cases, the Company would not guarantee specific date of availability and shall not be liable for any delays in commencing Service to any Customer. Service date will begin with the date of installation (billing date). The Company shall use reasonable efforts to maintain facilities to the Customer in accordance with MTSS provisions (4901-5-20). The Customer may not, nor may the Customer permit others to, rearrange, disconnect, remove, attempt to repair, or otherwise interfere with any of the facilities installed by the Company, except upon the written consent of the Company. The Company may substitute, change, or rearrange any equipment or facility at any time and from time to time, but shall not thereby alter the technical parameters of the service provided to the Customer. Equipment installed at the Customer Premises for use in connection with the services that the Company offers shall not be used for any purpose other than that for which the Company has provided it. The Company shall not be responsible for the installation, operation, or maintenance of any Customer-provided communications equipment.

Space/Access: Customer shall provide at no charge, as specified from time to time by the Company, any needed personnel, equipment space, and power to operate Company facilities and equipment installed on the premises of the Customer, and the level of heating and air conditioning necessary to maintain the proper operating environment on such premises. Company shall have reasonable access to the conduit to Customer's space and to its System equipment.

Buckeye reserves the right to pass through to Customer charges from third parties incurred in connection with establishing or maintaining service including, without limitation, charges from building owners or other utilities for electrical service or for use of existing wiring or facilities.

Claims: With respect to any service or facility provided by the Company, each party shall indemnify, and defend the other party from all claims, actions, damages, liabilities, costs, and expenses, including reasonable attorneys' fees for (A) any loss, destruction, or damage to property of the Indemnified Party or any third party, or the death of or injury to persons, to the extent the loss, destruction, damage, death, or injury was caused by or resulted from the negligent or intentional act or omission of the Indemnifying Party, its employees, agents, representatives, or invitees; and (B) infringement of any copyright, patent, trade secret, or any proprietary or intellectual property right of any third party, arising from and to the extent caused by the act or omission of the Indemnifying party.

Credit Approval: This agreement is subject to customer establishment of creditworthiness in accordance with established MTSS provisions. The Company may request an advance payment and/or deposit in accordance with MTSS and the provisions of its filed tariff referenced above.

Liability of the Company: The Company will not be liable for any indirect, incidental, special, consequential, exemplary, or punitive damages to the Customer as a result of any Company service, equipment, or facilities, or the acts or omissions or negligence of the Company's employees or agents. The Company shall not be liable for any delay or failure of performance or equipment due to causes not reasonably within its control, including but not limited to: acts of God, fire, flood, explosion, or other catastrophes; any law, order, regulation, direction, action, or request of the United States government or of any other government, including state and local governments having or claiming jurisdiction over the Company, or of any department or agency, commission, bureau, corporation, or other instrumentality of any one or more of these federal, state or local governments, or of any military authority; preemption of existing service in compliance with national emergencies; insurrections; riots; wars; unavailability of rights-of-way or materials, or strikes, lockouts, work stoppages, or other labor difficulties.

Payment: Payment for service, installation, and monthly recurring and Non-Recurring Charges, including applicable federal, state, and local taxes shall not be due earlier than 14 days from the date of the postmark on the bill. If the bill is not paid by the due date (usually within 30 days of receipt), it then becomes past due. The Company shall present bills for Recurring charges monthly to the Customer in advance of the month which service is provided.

Renewal Unless the Customer or the Company notify the other in writing of its intent to terminate the agreement at least 30 days prior to the end of the term, this Agreement will be renewed and extended on a month-to-month basis.

Non-Disclosure: All prices, terms and conditions associated with this Agreement are proprietary to Company and will not be disclosed by Customer to any party outside of Customer's business entity.
