III. 811 SERVICE FOR "ONE CALL" NOTIFICATION SYSTEMS ⁽¹⁾

A. GENERAL

1. 811 Dialing Code ("811 Service") is a three digit local dialing arrangement for telephone voice transmission access to all certified "One Call" notification systems entities as a toll free call. The Federal Communications Commission (FCC) assigned 811 dialing code for nationwide access to One Call Notification Systems.
2. The three digit 811 abbreviated dialing One Call Notification code is assigned to the Approved "811 Provider" for use in providing One Call notification services to the public by way of voice grade facilities.
3. 811 Service is available from United Telephone Company of Ohio d/b/a Embarq (the Company) within the Company's service area only. To provide access to 811 to end users in another company's service area or to Competitive Local Exchange Carrier (CLEC) end users within the local calling area, the 811 Provider must make appropriate arrangements with the other company or CLEC serving that territory. The 811 Provider should work separately with competing local providers to ascertain that its end user customers will be able to reach one-call services provided by dialing 811.
4. All 811 abbreviated dialing code calls must be local in nature and will not result in any expanded local calling area (ELCA), intraLATA toll, interLATA long distance or pay-per-call charges to Company subscribers. However, 811 Service calls may result in local measured service charges where Company subscribers' service plans include such charges.
5. The 811 Service is not available for the following classes of service: inmate service, 1+ and 0+ calling, 0- operator assisted calling and 101XXXX calling. 811 Service is otherwise available wherever local service is accessible.

⁽¹⁾ This service will be available no later than May 14, 2007 per PUCO Case No. 05-1306-AU-COI.

 - b. When the 811 Provider applies for 811 Service from the Company, the 811 Provider must supply the Company with a toll free number. The Company will translate the 811 digits into the telephone number provided by the 811 Provider.
4. The 811 Provider is liable for and will indemnify, protect, defend and hold harmless the Company against all suits, actions, claims, demands and judgments, plus any expenses and counsel fees incurred by the Company on account thereof, whether suffered, made, instituted or asserted by the 811 Provider or any other party or person, for any personal injury to or death of any person or persons, or for any loss, damage or destruction of any property, whether owned by the 811 Provider or others, arising out of or resulting directly or indirectly from the 811 Service.
