McLeodUSA Telecommunications Services, Inc. ("McLeodUSA")

Dear Docketing Division:

Enclosed please find an original and ten copies of substitute pages to McLeodUSA Telecommunications Services, Inc.'s ("McLeodUSA") Telephone Tariff No. 2 revision filed on April 2, 2007 (07-360-TP-ZTA). McLeodUSA respectfully requests that the attached Description and Rationale substitute sheet replace the current Description and Rationale that are located in Exhibit C of the this filing. McLeodUSA also requests that the attached affidavit and Bill Message be added to the end of Exhibit D of this filing. There are no changes to the tariff pages, but rather an explanation and correction in an 'old rate' that was quoted to the customers rather than the current rate. The proposed new rate of \$1.75 was correct on both notices.

The Issue Date of April 2, 2007 and Effective Date of April 12, 2007 should remain the same. Please file stamp the extra copy and return it to me in the enclosed, self-addressed, stamped envelope. If you have any questions, please contact me at jredman-carter@mcleodusa.com or (319) 790-2250.

Sincerely,

Julia Redman-Carter

Description:

Removing Busy Line Verify and Busy Line Verify Interrupt:

Busy Line Verify and Busy Line Verify Interrupt are optional features charged on a per use basis. McLeodUSA does not offer these services. Accordingly, these are being removed from the tariff.

Modifying the text for Non-Local Directory Assistance:

Non-Local Directory Assistance is being modified to clarify that this is intrastate DA as opposed to National DA, which is interstate DA. This is just clarification for customers. As an FYI, National DA is addressed in McLeodUSA Interstate Tariff.

Increasing Local Directory Assistance:

McLeodUSA is increasing the Local Directory Assistance for both business and residential customers to \$1.75, which is within the Minimum-Maximum range in our tariff. (See Section 4.3.9, on Sheet No. 98, which is included in Exhibit A for your convenience. Please note that there are no changes being made to this sheet. It is only included for reference.)

McLeodUSA made an error in the first notice regarding the current rate for the Local DA rate increase. As background, McLeodUSA received approval to increase, after providing appropriate customer notice, the Local DA rate from \$0.45 to \$1.25 effective April 8, 2005. However, due to an error on our part, McLeodUSA identified the old Local DA rate of \$0.45 on the notice rather than the current Local DA rate of \$1.25. Thus, the customer notice, included in Exhibit D of the original filing identifies the Local DA increase from \$0.45 to \$1.75 instead of \$1.25 to \$1.75 as it is accurately reflected in the tariff. Upon discovering the error, McLeodUSA distributed a corrected customer notice, which is included in the amended Exhibit D of this filing. This customer notice correctly identifies the current Local DA rate of \$1.25, which is increasing to \$1.75. Please note that the new proposed rate of \$1.75 was and is correct on both notices.

Rationale:

McLeodUSA's rationale for the changes noted above are to help McLeodUSA be competitive within the market place.

AFFIDAVIT OF THAIS CARNALL

I, Thais Carnall, being duly sworn on oath, do hereby verify that the attached notice for the proposed Local Directory Assistance rate correction was distributed via bill message beginning on April 4, 2007 to all potentially impacted business and residential customers in the state of Ohio. The error was in regard to the current rate. The proposed new rate was correct and remains the same.

Further Affiant sayeth not.

Local Directory Assistance Rate Correction

Start: April 4, 2007

Run: 1 Time

In a previous bill message we incorrectly stated \$0.45 as the current rate for Local Directory Assistance in Ohio instead of the correct amount of \$1.25, as indicated in our tariffs on file with the Ohio Commission. Beginning April 13, 2007, the rate for Local Directory Assistance in Ohio will increase from \$1.25 to \$1.75 per use.
