RE: Local Tariff Revision Filing – Navigator Telecommunications, LLC.
90-9103-TP-TRF

Dear Docketing Division,

Enclosed for filing with the Public Utilities Commission of Ohio are revisions to Navigator Telecommunications, LLC.'s Tariff No. 1. Included are an original and 10 copies. Also enclosed are the required Telecommunication Application Form and all supporting documentation for this filing. This filing does not make any changes in rates. The purpose of this filing is to remove all minimum pricing from Tier 1 service and to eliminate all minimum/maximum pricing for Tier 2 services.

Please contact Mark Herring at (501) 954-4053 if you require more information about this filing. Thank you for your assistance in this matter.

Sincerely,

Michael McAlister
General Counsel
Navigator Telecommunications, LLC.

AFFIDAVIT

Compliance with Commission Rules and Service Standards

I am an officer of the applicant corporation, Navigator Telecommunications, LLC, and am authorized to make this statement
(Name of Company)
on its behalf. I attest that these tariffs comply with all applicable rules, including the Minimum Telephone Service Standards (MTSS) for the state of Ohio. I understand that tariff notification filings do not imply Commission approval and that the Commission's rules, including the Minimum Telephone Service Standards, as modified and clarified from time to time, supersede any contradictory provisions in our tariff. We will fully comply with the rules of the state of Ohio and understand that noncompliance can result in various penalties, including the suspension of our certificate to operate within the state of Ohio.

I declare under penalty of perjury that the foregoing is true and correct.

Outgoing Only Service

An optional service offered to customers who wish to maximize payphone usage or reduce the ability of end users to conduct business from a location that prohibits incoming calls. Callers hear a recording stating that the phone is not in service for incoming calls. It is the IPP's responsibility to state this restriction on the instruction card of the phone.

Restricted Coin Access (RCA)

An optional service for public telephones where a coin collecting device can be disabled during certain hours at the IPP's discretion to permit origination of Local calls, extended Local calls and Message Toll calls to only be charged to a third number, a Company calling card, or placed on a collect basis. Calls to public emergency numbers such as 911 will continue to be permitted and provided free of charge. End users placing coin calls during restricted hours will have their coins returned and will hear a recording that the phone is not equipped for coin calls during certain hours. It is the IPP's responsibility to state this restriction on the instruction card of the phone.

Outgoing Only Service

An optional service offered to customers who wish to maximize payphone usage or reduce the ability of end users to conduct business from a location that prohibits incoming calls. Callers hear a recording stating that the phone is not in service for incoming calls. It is the IPP's responsibility to state this restriction on the instruction card of the phone.

Restricted Coin Access (RCA)

An optional service for public telephones where a coin collecting device can be disabled during certain hours at the IPP's discretion to permit origination of Local calls, extended Local calls and Message Toll calls to only be charged to a third number, a Company calling card, or placed on a collect basis. Calls to public emergency numbers such as 911 will continue to be permitted and provided free of charge. End users placing coin calls during restricted hours will have their coins returned and will hear a recording that the phone is not equipped for coin calls during certain hours. It is the IPP's responsibility to state this restriction on the instruction card of the phone.
