RIDER AMRP

ACCELERATED MAIN REPLACEMENT PROGRAM RIDER

APPLICABILITY

Applicable to all customers receiving service under the Company's sales and transportation rate schedules.

ACCELERATED MAIN REPLACEMENT PROGRAM FACTORS

All customers receiving service under Rate RS, Rate RFT, Rate GS, Rate FT and Rate DGS shall be assessed a monthly charge in addition to the Customer Charge component of their applicable rate schedule that will enable the Company to complete the bare steel/cast iron main replacement program. Customers receiving service under, Rate IT and Rate SSIT will be assessed a throughput charge in addition to their commodity delivery charge, for that purpose. The maximum monthly Rider AMRP charge for any customers' Rate IT throughput, shall be \$500.00 per account.

Rider AMRP will be updated annually, in order to reflect the impact on the Company's revenue requirements of net plant additions as offset by operations and maintenance expense reductions during the most recent twelve months ended December. Such adjustments to the Rider will become effective with the first billing cycle of May, and during the first year will reflect the allocation of the required revenue increase based on the revenue distribution approved in the Company's last rate proceeding. In subsequent years, the allocation will be made on the basis of the actual base revenues excluding Rider AMRP revenues by rate class for the just completed calendar year. New allocations will be contained within the Company's annual filings.

The charges for the respective gas service schedules are:

Rate RS, Residential Service	\$ 5.77/month
Rate RFT, Residential Firm Transportation Service	\$ 5.77/month
Rate GS, General Service	\$30.44/month
Rate DGS, Distributed Generation Service	\$30.44/month
Rate FT, Firm Transportation Service	\$30.44/month
Rate IT, Interruptible Transportation Service	\$ 0.003/CCF
Rate SSIT, Spark Spread Interruptible Transportation Rate	\$ 0.003/CCF

These monthly charges shall remain in effect until changed by order of the Public Utilities Commission of Ohio.

Issued pursuant to an Order dated April 18, 2007 in Case Nos. 01-1228-GA-AIR and 01-1539-GA-AAM before the Public Utilities Commission of Ohio.

Issued: April 20, 2007

Effective: May 1, 2007

Issued by Sandra P. Meyer, President
