AFFIDAVIT

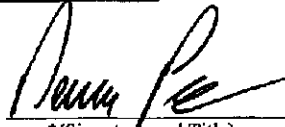

Compliance with Commission Rules and Service Standards

I am an officer of the applicant corporation, PNG Telecommunications, Inc., and am authorized to make this statement
(Name of Company)

on its behalf. I attest that these tariffs comply with all applicable rules, including the Minimum Telephone Service Standards (MTSS) for the state of Ohio. I understand that tariff notification filings do not imply Commission approval and that the Commission's rules, including the Minimum Telephone Service Standards, as modified and clarified from time to time, supersede any contradictory provisions in our tariff. We will fully comply with the rules of the state of Ohio and understand that noncompliance can result in various penalties, including the suspension of our certificate to operate within the state of Ohio.

I declare under penalty of perjury that the foregoing is true and correct.

Anonymous Call Rejection Allows a called party to reject calls from parties that have activated the *67 Per Call Blocking feature to prevent the display of the calling telephone numbers to Caller ID – Number Only Subscribers, or to prevent the display of the calling telephone numbers and associated main listed names to Caller ID Subscribers. Such calls will be routed to an announcement which tells the calling party that the called party will not accept calls from callers who have chosen to prevent the display of their telephone numbers and names. The calling party will be instructed to hang up and place the call again, without activating the *67 Per Call Blocking feature. Customers may activate or deactivate Anonymous Call Rejection by dialing an activation code. Call Forwarding - Fixed, Busy Line, No Answer This feature, when activated, redirects attempted terminating calls to another PNG-specified line. Call originating ability is not affected by Call Forwarding-Fixed, Busy Line No Answer. The calling party is billed for the call to the called number. If the forwarded leg of the call is chargeable, the Customer with the Call Forwarding-Fixed, Busy Line No Answer is billed for the forwarded leg of the call.	\$3.50	\$3.50
Call Waiting with Caller ID with Name Provides a tone signal to indicate to a Customer already engaged in a telephone call that a second caller is attempting to dial in and allows a Customer to see a caller's name and number previewed on a display screen allowing a Customer to prioritize and/or screen incoming calls. This feature permits the Customer to place the first call on hold, answer the second call and then alternate between both callers. Call Waiting with Caller ID with Name Service requires the use of specialized Customer-provided equipment not provided by PNG. It is the Customer's responsibility to obtain such Customer-provided equipment.	\$3.50	\$3.50
Last Call Return (*69) This Service allows a Customer to return the most recent incoming call and hear an announcement of the last telephone number that called. To activate Return Call (*69), the Customer dials a code, then hears an announcement of the telephone number of the last party that called. If the Customer wishes to return the call right away, voice prompts will instruct the Customer to dial a certain digit and the call will automatically be returned. - 13 Centrex Service - Centrex Service is a local exchange telecommunications service, provided by a telecommunications system located in a telephone company central office, which controls the switching of: (i) calls from the exchange network to the Centrex lines, (ii) calls from the Centrex lines to the exchange network, and (iii) intercommunicating calls between Centrex lines. Direct Inward Dialing is provided to the Centrex by line selection in the central office. Identification of outward dialing is provided for Centrex lines by individual line identification in the central office for those inter-exchange carriers for which the Company renders billing services. Integrated voice/data communication capability is provided for the transmission of circuit switched voice, circuit switched data, and packet switched data signals on an incoming, outgoing and intercom basis utilizing Integrated Services Digital Network (ISDN) architecture. Centrex Service offers three types of lines: (i) Basic Lines, (ii) Electronic Key Lines, and (iii) ISDN Lines (Custom and National)

- 13.1 Centrex Service is offered only as a complete service. The network access and intercommunication portions of the Centrex station line are not provided separately. Centrex Service is usage sensitive as well as subject to PBX trunk equivalents. Centrex Service will utilize a PBX trunk equivalent schedule in determining various components of the service.

Dear Customer Name,

PowerNet Global is committed to giving you the best choices in telephone and Internet service.

To continue to provide you with the best possible service, we are changing the price on your current local phone package.

<u>Package</u>	<u>Current Price</u>	<u>New Price</u>
Call to Connect – Simple	\$19.33	\$28.99
Call to Connect	\$23.33	\$31.99
Call to Connect – Plus	\$33.33	\$49.99

Regulatory changes by the FCC have caused PowerNet Global to make this change. PowerNet Global has made a valiant effort to not change the price of your local phone service for the previous six months. Unfortunately, we cannot continue to do so and still offer you the same great service. In most cases, this new price is very competitive in your area. Your package will remain the same and there will be no interruption in service while we make this change.

This change requires no effort on your part and will be effective on your next invoice with PowerNet Global.

For a complete list of included and additional pay-per-use features, please visit our website at www.powernetglobal.com.

Your complete satisfaction is our goal. If you would like to discuss other options and packages, please call one of our Customer Relations Associates toll-free at 1-866-236-7881. For your convenience they are available to help you Monday – Friday from 8AM - 11PM and on Saturdays from 9AM – 6PM Eastern.

We appreciate your business and look forward to continuing to serve you!

Sincerely,
PowerNet Global Customer Relations
