PUCO**Re: Tariff Correction for Inclusion in Kentucky Data Link, Inc.'s
Application for Transfer of Certificate (Case No. 07-381-TP-ATC)**

Enclosed, please find a copy of a corrected tariff page for inclusion in Kentucky Data Link, Inc.'s Application for Transfer of Certificate (Case No. 07-381-TP-ATC). It appears that section 2.30 (on Page 24 of Section 2 of the tariff) was inadvertently removed from Kentucky Data Link, Inc.'s tariff filing included its transfer-of-certificate application. Kentucky Data Link did not and does not intend to alter Cinergy Telecommunication Networks-Ohio, Inc.'s tariff in any way.

Please feel free to contact me if you have any questions or if you need additional information. Thank you for your prompt attention to this matter.

Sincerely,

Amy Leisinger

The deposit will not exceed an amount equal to two-twelfths of the estimated total for all regulated local services provided by the Company for the ensuing twelve months, plus thirty percent of the monthly charges for local service.
- (B) When a service or facility is discontinued, the amount of a deposit, if any, will be applied to the Subscriber's account and any credit balance remaining will be refunded. Before the service or facility is discontinued, the Company may, at its option, return the deposit or credit it to the Subscriber's account.
