NOTICE TO CUSTOMERS WATERVILLE GAS & OIL COMPANY PUCO CASE NO. 07-0194-GA-AIR

Pursuant to Section 4909.19 of the Ohio Revised Code, Waterville Gas & Oil Company (Waterville) hereby gives notice that, on March 30, 2007, it filed an application with the Public Utilities Commission of Ohio (Commission) in Case No. 07-0194-GA-AIR requesting authority to increase the rates it charges for natural gas service.

Any interested party seeking detailed information with respect to all affected rates, charges, regulations and practices may inspect a copy of the application including supporting schedules and exhibits at the offices of the Commission at 180 East Broad Street, 13th floor, Columbus, Ohio 43215-3793, by visiting the Commission's web site at http://www.puco.ohio.gov, selecting DIS, inputting 07-0194 in the case lookup box, and selecting the date the application was filed, or by phoning the Commission at 1-800-686-7826.

Additionally, a copy of the application and supporting documents may be viewed at the business office of Waterville at 11 North River Road, Waterville, Ohio 43566.

The current base rates were approved in 1986 in Case No. 86-431-GA-AIR. In its application, Waterville alleges that based on current expense levels, the existing rates do not provide a reasonable level of compensation for utility services. Based on this allegation, Waterville requests that the Commission authorize Waterville to charge the proposed rates and charges set forth below in the "Rate Chart".

Any person, firm, corporation, association, or other entity may file, pursuant to Section 4909.19 of the Ohio Revised Code, an objection to such increase which may allege that such application contains proposals that are unjust and discriminatory or unreasonable. Recommendations which differ from the application may be made by the Staff of the Commission or by intervening parties and may be adopted by the Commission.
