POSTCARD SENT TO AFFECTED CUSTOMER IN JANUARY

Dear Costco Member,

Our records indicate that you are using local or long-distance service through MCI.

This postcard is to inform you that Costco has ended its business relationship with MCI for local and longdistance service. This does not affect the availability of your service; however, your rates will increase. MCI is increasing its rates by eliminating the Costco member discount effective March 31, 2007. Please check your MCI invoice for information about the rate change or call MCI at 1-888-624-5622 for local service or 1-800-444-3333 for long-distance service.

If you wish to keep your service with MCI, there is no action required by you. However, you will no longer have the benefit of discounted rates previously available to Costco members. We encourage you to check out other options for local and long-distance service, including your local telephone service provider.

We hope that you have enjoyed the benefits of using the MCI program for Costco members.

Sincerely,

Patrick Callans
Vice President, Member Services
Costco Wholesale

CUSTOMER NOTIFICATION INCLUDED IN MARCH CUSTOMER INVOICES

Effective April 1, 2007, the Loyal Customer Credit and the Free Inside Wire feature will no longer be available to MCI/Costco Local customers. This does not affect your existing calling plans and no action is required by you. MCI values you as a customer and will continue to provide you with competitive services. If you have any questions, please call customer service at 1-800-444-3333.
