RATIONALE FOR PROPOSED TARIFF CHANGES

The Applicant is increasing the monthly fee associated with stand-alone long distance service. The fee does not apply when customers subscribe to a bundled service package. Therefore, the Applicant expects that the higher fee will encourage customers to consider the greater value provided by the bundled service packages.

CUSTOMER NOTICE

The Applicant notified its customers of the increase in the monthly fee through a letter mailed April 30, 2007. The effective date of the new fee is June 1, 2007. A copy of the notice is attached hereto.

Dear Valued Long Distance Customer,

Thank you for using our long distance service. Our goal remains to keep the cost of your Long Distance services low, but it is sometimes necessary to increase fees so we can continue providing this valuable service. This letter is to inform you of one such change.

FairPoint Communications has filed an application with the Public Utilities Commission of Ohio (PUCO) requesting authority to increase the Single Service Fee for our basic long distance per minute plan. The Single Service Fee will increase from \$1.99 per month to \$3.95 per month. This charge will become effective on June 1, 2007.

This applies to customers who subscribe to individual long distance services rather than to a bundle of services that combines your Local Phone line, Calling Features and low-rate Long Distance all on one bill.

Get more and save more with a bundle! Bundles combine your local telephone line, calling features and long distance all on one bill to provide a better value and greater convenience. It is important to note that by taking advantage of our local and long distance bundled service packages, you will avoid this fee, gain many new features and potentially save much more money. Call now or visit our website to learn more.

If you have any questions concerning this charge increase, if you wish to cancel service or if you'd like to take advantage of a bundle please call Customer Sales and Service at 800-400-5568.

We appreciate your business and look forward to continuing to serve you with quality telecommunications services.

Sincerely,
Customer Sales and Service
