Calls are billed in one (1) minute increments after an initial minimum call duration of one (1) minute. Any partial minute is rounded up to a full minute. Calls that cross rate period boundaries for Plan D Service are billed the rate in effect at the time of call origination for the duration of the call.

Saturday & Sunday	\$0.070

C. Monthly Recurring Charge

The Monthly Recurring Charge (MRC) is billed each month in advance and applies in full each month for each account, except in the case of first and last month partial billing cycles where the MRC will be prorated based on actual number of days the Customer had the service during the billing cycles. At the option of the Customer, the MRC can either apply per account, regardless of the number of lines on the account presubscribed to the Company's Plan D Service, or per line. The MRC is in addition to applicable usage rates. If the Customer elects to cancel Plan D Service, the MRC for the last month will prorated based on the time of disconnect.

SECTION 3 - DESCRIPTION OF SERVICE AND RATES, (Cont'd.)

3.6 Optional Residential Services, (cont'd.)

3.6.4 Plan D Service

A. General Description

Plan D Service is an optional calling plan offered to Residential Customers for outbound direct-dialed calling. Residential Customers enroll via the internet. Plan D Service Customers receive a flat rate per minute, 24 hours a day on Monday through Friday and a flat rate per minute, 24 hours a day on Saturdays and Sundays for all intrastate direct-dialed calling. Plan D Service utilizes Customer-provided switched access lines that are presubscribed to the Company. This Plan is only offered in conjunction with the corresponding interstate and international rate plans.

Calls are billed in one (1) minute increments after an initial minimum call duration of one (1) minute. Any partial minute is rounded up to a full minute. Calls that cross rate period boundaries for Plan D Service are billed the rate in effect at the time of call origination for the duration of the call.

B. Usage Rates

Rate Per Minute

Monday - Friday	\$0.140
Saturday & Sunday	\$0.070

C. Monthly Recurring Charge

The Monthly Recurring Charge (MRC) is billed each month in advance and applies in full each month for each account, except in the case of first and last month partial billing cycles where the MRC will be prorated based on actual number of days the Customer had the service during the billing cycles. At the option of the Customer, the MRC can either apply per account, regardless of the number of lines on the account presubscribed to the Company's Plan D Service, or per line. The MRC is in addition to applicable usage rates. If the Customer elects to cancel Plan D Service, the MRC for the last month will prorated based on the time of disconnect.
