Exhibit C

AT&T Ohio hereby revises Part 4, Section 2 of its AT&T Ohio Tariff P.U.C.O No. 20 to correct several typographical errors that incorrectly display the maximum and monthly non-residence access line rates in three competitive exchanges. The access areas associated with these three exchanges are correctly noted, however, the rates are incorrectly displayed. Customers are being charged the correct rates. This is simply a typographical error that occurred when these tariff sheets were originally filed in concert with AT&T Ohio's initial BLES Alternative Regulation filing on 1-2-2007. The historical tariff sheets for these three exchanges are included as Attachment A to this filing to demonstrate the appropriate rates that should have mapped over to the new tariff sheets.

Customers have not been impacted by these typographical errors and so, no customer notice is required.

1st Revised Sheet No. 1.1-P

Rate information from Original Sheet No. 1.1-P was deleted and replaced with current Sheets 1.2.1 through 1.2.6, which identify all of the AT&T Ohio exchanges found to be competitive relative to the Opinion & Order dated 12-20-2006 in Case No. 06-1013-TP-BLS, as well as their associated access areas and rates.

AFFIDAVIT OF MARYANN H. MACKEY

Maryann H. Mackey, being first duly cautioned and sworn, deposes and says as follows:

1. I am the Senior Director – Regulatory Affairs for AT&T Ohio, where one of my responsibilities is to prepare tariff applications such as the one this affidavit supports.
2. I have worked with our corporate regulatory group to confirm that the rate changes noted in this filing are simply typographical errors and further, to confirm that customers are being charged the correct, Commission approved rates, in the impacted exchanges. The incorrectly noted rates have not been charged to customers. This filing is being made to ensure that the tariff is updated to correct these typographical errors.
3. Therefore, on information and belief, I hereby attest that the tariff application that this affidavit corrects a typographical error and does not impact the actual rates being applied to customer bills.
