Re: Boundary Change – Case No. 07-644-TP-ACB

---

On June 1, 2007, AT&T Ohio filed a letter of transmittal as contemplated by Rule 4901:1-3-03(G), Ohio Administrative Code (O.A.C.), to advise the Commission of a change in telephone boundaries involving three AT&T Ohio telephone exchanges. The revised maps filed by AT&T Ohio reflect the incorporation of portions of AT&T Ohio's Centerville and Dayton exchanges into the company's Bellbrook Exchange. AT&T Ohio avers that no customers will be impacted by this change in telephone boundaries. In light of the foregoing and based upon the assertions made by AT&T Ohio in its June 1, 2007 transmittal letter, this matter should be considered approved and closed of record pursuant to Rule 4901:1-3-03(M), O.A.C.
