NOTICE OF PROPOSED MAJOR UTILITY FACILITY

Columbia Gas of Ohio, Inc. has filed an application with the Ohio Power Siting Board in Case No. 06-141-GA-BTX seeking to amend an application for a certificate of environmental compatibility and public need issued for a natural gas pipeline and an associated regulator station in Delaware County, Ohio. The proposed pipeline will be constructed from Columbia's existing Northern Loop Pipeline located at the intersection of Home Road and Liberty Road to the project's completion at Pittsburgh Drive in Delaware. The purpose of the requested amendment is to allow two changes to the project: (1) an adjustment of the centerline on the parcel located in the southeast corner of the South Section Line Road and Airport Road intersection; and (2) an increase in the diameter of the pipeline from 16 inches to 20 inches. More information may be obtained by contacting the offices of the Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio 43215-3793 or by reviewing a copy of the amendment application at the main library in your area. Interested persons wishing to file objections to the proposed changes may do so by filing written objections to the Ohio Power Siting Board within 10 days of this notice.

NOTICE OF PROPOSED MAJOR UTILITY FACILITY COLUMBIA GAS OF OHIO, INC.

Columbia Gas of Ohio, Inc. has filed an application with the Ohio Power Siting Board in Case No 06-141-GA-BTX seeking to amend an application for a certificate of environmental compatibility and public need issued for a natural gas pipeline and an associated regulator station in Delaware County, Ohio. The proposed pipeline will be constructed from Columbia's existing Northern Loop Pipeline located at the intersection of Home Road and Liberty Road to the project's completion at Pittsburgh Drive in Delaware.

The purpose of the requested amendment is to allow two changes to the project: (1) An adjustment of the centerline on the parcel located in the southeast corner of the South Section Line Road and Airport Road intersection; and (2) An increase in the diameter of the pipeline from 16 inches to 20 inches.

More information may be obtained by contacting the offices of the Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio 43215-3793 or by reviewing a copy of the amendment application at the main library in your area.

Interested persons wishing to file objections to the proposed changes may do so by filing written objections to the Ohio Power Siting Board within 10 days of this notice.
