RE: USA Global Link, Inc. ("USAGL")
Request for Cancellation of Certificate of Registration
Case No. 89-563-TP-COI
December 21, 1996

Dear Secretary:

USAGL was granted a certificate of registration as a switchless rebiller in the State of Ohio in Case No. 89-563-TP-COI on December 21, 1996. Due to market considerations, USAGL requests that its certificate of registration be withdrawn. USAGL does not have any business or residential customers in Ohio for 1+ services, and therefore is not the Primary Interexchange Carrier (PIC) for any customer located in your state. The only intrastate traffic USAGL has had in your state in the past was very de minimus amounts of incidental intrastate calling by customers using travel cards which USAGL markets for international usage. In 1999, that incidental travel card traffic for intrastate calling in your state totaled \$0. USAGL requests that the withdrawal of its certificate be effective March 17, 2000.

Should you have any questions regarding this matter, please do not hesitate to contact me at (515) 469-7476.

Sincerely,

Abby McDonald-Gallentine
Corporate Counsel
