The attorney examiner finds:

- (1) A settlement conference was held in this matter on April 4, 2007. The parties, however, failed to resolve their differences at the conference.
- (2) Subsequently, because there had been no contact with complainant's counsel concerning the disposition of the complaint, a telephonic status conference was convened on June 14, 2007. Complainant's counsel did not participate in the status conference.
- (3) The complainant may avail itself of one of two options: either (a) provide information in writing to the Attorney Examiner by July 20, 2007 with regard to its intentions in this matter, or (b) do nothing by the close of business on July 20, 2007, and the Attorney Examiner will recommend to the Commission that this case be dismissed.

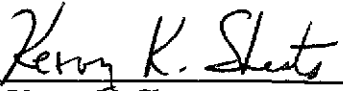

It is, therefore,
