Please describe your complaint. (Attach additional sheets if necessary)

We are summer residents, as a number of people are at Lake Seneca. Aqua of Ohio's rate increase is a steep price to pay for individuals who spend only a few short months at Lake Seneca. Another point of interest is ... Aqua of Ohio was well aware of the need to replace the pump station here at Lake Seneca when they purchased the utility from Lake Seneca Utilities Co. Why should this financial cost be passed to the residents of Lake Seneca? Our permanent residents is in Livonia, MI and we do not pay the amount (for water) that Aqua of Ohio is purposing to charge in the future if granted a rate increase by The Pub. Utilities Commission of Ohio.

Please Consider denying this request.
