Re: Case No.07-464-TP-COI

Dear Ms. Jenkins:

By this letter, AT&T Ohio requests to amend its Application filed May 31, 2007, in Case No. 07-464-TP-COI. That application was made to establish an exception to the F.C.C. Tariff No. 2 for Special Access Services.

The Exhibit C to the Application is being amended to reflect that the exception only applies to the temporarily discounted rates for DS1 and DS3 services.

If you have any questions about the amended filing, please contact me at 614 223-8184.
Thank you for your cooperation in this matter.

Very truly yours,

AT&T Ohio proposes to modify its AT&T Tariff P.U.C.O. No. 20 to establish an exception to the F.C.C. Tariff No. 2 for Special Access Services. F.C.C. No. 2 has been revised to reduce certain Access circuit rates in compliance with AT&T's Merger Commitment #6 made to the FCC in the AT&T/Bell South merger. Per AT&T's letter to the FCC dated December 28, 2006, AT&T has filed "interstate tariffs" establishing discounted rates for DS1 and DS3 services. This filing is being made to clarify the rates in the F.C.C. No. 2 tariff that apply to intrastate services.
