OF  
MOTION FOR EXTENSION OF TIME  
AND  
REQUEST FOR EXPEDITED RULING  
OF  
NEUTRAL TANDEM-MICHIGAN, LLC  
AND  
NEUTRAL TANDEM, INC.**

---

This case is before the Commission upon the May 31, 2007 complaint of Level 3 Communications, LLC and Broadwing Communications, LLC (collectively "Level 3") alleging, *inter alia*, that the named respondent, Neutral Tandem-Michigan, LLC ("NT Michigan"), has failed to provide adequate service by refusing to notify its Ohio carrier-customers that its traffic exchange agreements with Level 3 had been terminated so as to permit those carrier-customers to route their traffic to Level 3 via an alternative means. On June 20, 2007, NT Michigan filed its answer to the complaint, denying the complaint's material allegations. In conjunction with the

answer, NT Michigan and Neutral Tandem, Inc. (collectively, "Neutral Tandem"), submitted a counterclaim against Level 3, seeking an order from this Commission finding that the terms and conditions requested by Level 3 for interconnection were unreasonable and unlawful and directing Level 3 to accept terminating traffic from Neutral Tandem on just, reasonable, and nondiscriminatory terms and conditions. Level 3 filed its answer to Neutral Tandem's counterclaim on July 13, 2007, and filed a motion to dismiss the counterclaim on July 26, 2007.

Pursuant to Rule 4901-1-12(B)(1), Ohio Administrative Code ("OAC"), Neutral Tandem's memorandum contra the Level 3's motion to dismiss the counterclaim is due fifteen days after service of the motion, or August 10, 2007. Due to involvement in other proceedings and the press of other business, Neutral Tandem anticipates that its counsel will not have sufficient time to prepare and file its memorandum contra the Level 3's motion to dismiss Neutral Tandem's counterclaim by the August 10, 2007 due date. Rule 4901-1-13(A), OAC, provides that "extensions of time to file pleadings or other papers may be granted upon motion of any party for good cause shown." Neutral Tandem submits that the foregoing motion is supported by good cause, and notes that, because no procedural schedule has yet been established, Level 3 will not be prejudiced by this short extension of the due date.

Rule 4901-1-13(B), OAC, provides that "(a) motion for an extension of time to file a document must be timely filed so as to permit the commission, legal director, deputy legal director, or attorney examiner sufficient time to consider the request and to make a ruling prior to the established filing date." Neutral Tandem has submitted this motion sufficiently in advance of the due date to provide the attorney examiner adequate time to rule before the otherwise applicable filing date, particularly in view of the fact that, under Rule 4901-1-12(C), OAC, an immediate ruling may be issued without the filing of memoranda where the motion seeks an

extension of time to file pleadings or other papers of five days or less. This rule provides, in pertinent part, as follows:

Any motion may include a specific request for an expedited ruling. The grounds for such a request shall be set forth in the memorandum in support. If the motion requests an extension of time to file pleadings or other papers of five days or less, an immediate ruling may be issued without the filing of memoranda.

Consistent with the foregoing discussion, Neutral Tandem respectfully requests an expedited ruling that its motion for an extension of the August 10, 2007 due date for filing a memorandum contra Level 3's motion to dismiss to August 15, 2007 be granted.

Respectfully submitted,
