- Service phone: 614-920-1058
- *(no account number provided?)*

COMMENT DESCRIPTION:

I do not know if you take peoples comments into account when you make decisions on what the gas company can and can not do. I believe that if the customers have to pay to fix the risers in the gas lines it would be fair and affordable to more people if we all share the cost. To some \$2,000 may not be a burden to some it may be the breaking point.

Thank you for your time.
