2. DESCRIPTION OF PROPOSAL:

Utility Operators Corp. (UOC) wishes to change the billing units from cubic feet to gallons. The reason for this change is the Mayor of the Village of Byesville, Donald Gadd, was appointed by the Court of Common Pleas Guernsey County, Ohio, as receiver for Utility Operators Corp. The Village's billing software is set up to bill in gallon increments, a modification to the software billing program would result in increased costs for the customers of UOC.

3. Attached hereto and incorporated by reference herein are the current Tariff pages for Utility Operator Corp. Tariff P.U.C.O. No. 2, Section II, Rates and Charges as well as the proposed Tariff pages:

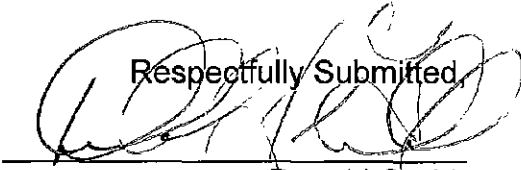

(A) Exhibit A - Utility Operator Corp. Tariff P.U.C.O. No. 2, existing tariff Section II, First Revised Sheet No. 4, replacing Original Sheet No. 4.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.

(B) Exhibit B – Utility Operator Corp. Tariff P.U.C.O. No. 2, proposed new tariff Section II, Second Revised Sheet No. 4, replacing First Revised Sheet No. 4.

4. Also attached hereto and incorporated as Exhibit C is a proposed revised Subject Index Page. In addition, attached hereto and incorporated as Exhibit D is a proposed notice to be mailed to customers explaining the approved changes to be mailed to customers upon approval of the application.
5. This application will not result in an increase in any rate, joint rate, toll, classification, charge or rental.
6. Applicant Utility Operators Corp. respectfully requests the Commission to permit the filing of the proposed tariff sheets, to become effect on the date, subsequent to filing, to be shown on the proposed tariff sheets which will be filed with the Commission; and to be in the form of the tariff sheet in Exhibit B, modified by any further revisions that have become effective prior to the effective date of the proposed schedule sheets.

Respectfully Submitted,

Donald Gadd,
Mayor, Village of Byesville
Court Appointed Receiver for Utility Operators Corp.

Utility Operators Corporation

Filed in accordance with the July 26, 2001 Opinion and Order issued by the Public Utilities Commission of Ohio in Case No. 00-1514-ST-AIR.

5. An application which is approved by the Company shall become a binding contract between the Applicant and the Company. Such a contract obligates the Applicant to pay charges imposed by the Company in accordance with these Regulations, to obey all the terms and provisions of these Regulations, to obey all other lawful and applicable rules, regulations and directives set forth by federal, state or local governments.
6. All customers will be billed monthly in arrears. Two months of each quarter will be estimated with a third month being the "true-up" bill. All customers shall be billed by and shall make payment to Utility Operators Corporation. All bills for sewer service shall be due and payable to the Company within fifteen (15) days of the billing date as stated on the bill. All bills not paid within this time shall be considered delinquent and subject to a one time late payment fee of 5%. The late payment fee shall be based on current charges only, shall not be compounded on future delinquencies, and not be imposed during any billing period in which payments made exceed the customer's current charges.
7. No customer or other person shall discharge into the sewage system any material that will be harmful to the system or treatment process or will plug or obstruct the sewers. Such materials include, but are not limited to oils, grease, acids, caustics, poisons or toxic, flammable or bulky materials, liquids or vapors. The discharge of storm water or groundwater into the sewage system is prohibited. Failure of any customer to eliminate any prohibited discharge from his property, regardless of its cause, shall be cause for the Company to take such action as it deems necessary to protect the sewage system and the other customers. Such action may include immediate disconnection of the customer's property from the system.
