Re: *FirstEnergy Long Term Forecast Report*
Submission Under Seal of Certain Corrected PUCO Forms
Case No. 07-504-EL-FOR

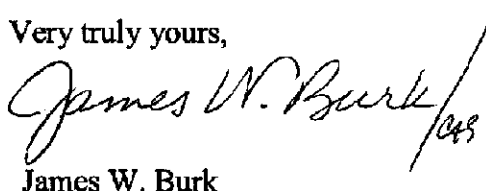

Dear Ms. Jenkins:

Enclosed for filing in the above-referenced docket please find the corrected version of certain PUCO forms, under seal. The corrected confidential forms contained in the sealed envelope contain corrections to the same confidential forms that were filed under seal with the Company's original filing on April 16, 2007. These corrected forms supplant those forms with the same designation made with the original filing.

The corrected confidential forms filed under seal with this cover letter should be treated as confidential as though made under seal as part of the original filing and original Motion for Protective Order, and the envelope containing the corrected forms should not be opened, except by or at the direction of the Attorney Examiner. Please include the envelope containing the corrected confidential forms with the other confidential information filed under seal in this matter on April 16, 2007. Kindly date-stamp the copy of this filing letter as proof of filing and return it to our courier.

Please contact me if you have any questions about this matter. Thank you.

Very truly yours,

James W. Burk
