<sup>1/</sup> Includes Tel-Tone Touch Calling Service. Effective August 12, 2007, the rates for Residential and Business customers who do not have Tel-Tone Touch Calling Service will be grandfathered and will see no change in their monthly rate. Any subsequent change to service made by such a grandfathered customer, however, will result in the loss of the grandfathering exception and will require that customer to upgrade to Tel-Tone Touch Calling Service.

All other change charges will apply as set forth on other pages of tariff.

- <sup>1/</sup> Tel-Tone Touch Calling Service is now part of the local access line rates shown elsewhere in this tariff. Effective August 12, 2007, this service will be grandfathered to current customers. Any subsequent change to service made by such a grandfathered customer, however, will result in the loss of the grandfathering exception and will require that customer to upgrade to Tel-Tone Touch Calling service.

**DEFINITIONS**

---

**CHANNEL**

The term "Channel" designates the electrical path provided by the Telephone Company between two ore more locations.

**CIRCUIT**

The term applies to a channel used for the transmission of electrical energy in the furnishing of telephone service.

**CONNECTING COMPANY**

A corporation, association, partnership or individual owning or operating one or more exchanges and with who traffic is interchanged.

**CONTRACT**

The term "Contract" refers to the Service agreement between a subscriber and the Telephone Company under which service and facilities are furnished in accordance with the provisions of Tariffs applicable.

**EXCHANGE**

The term "Exchange" means a unit established for the administration of telephone service in a specified area which usually embraces a city, town or village and its environs. ## **DEFINITIONS**

---

### **PRIVATE BRANCH EXCHANGE SYSTEM**

- A. **Non-multiple Cord Switchboard:** A cord switchboard arranged so that each line has only one appearance or jack termination.

### **PUBLIC TELEPHONE**

An exchange station, either attended or equipped with a coin collecting device which is installed for the convenience of the Public at a location chosen or accepted by the Telephone Company.

### **SUBSCRIBER**

As used in this Tariff, a separate subscriber is involved at each location, or continuous property, where service is furnished. One individual or firm therefore may be considered as two or more separate subscribers even in the same Exchange. The privileges, restrictions and rates established for a subscriber to any class of service are limited to the service at one location; and no group treatment of service at separate locations, furnished to one individual or firm, is contemplated or to be implied, except when definitely provided for in the schedules.

### **TIER 1**

"Tier one" services include BLES as defined in section 4927.01 of the Revised Code, as well as those services that are not essential but nevertheless retain such a high level of public interest that these services still require regulatory oversight, as set forth in paragraphs (A)(1)(a) and (A)(1)(b) of rule 4901:1-6-20 of the Administrative Code.

### **TIER 2**

"Tier two" services include all regulated telecommunications services that do not fall in Tier one.

<sup>1/</sup> Includes Touch-Call Service.

Effective August 12, 2007, the rates for Residential and Business customers who do not have Touch Call service will be grandfathered and will see no change in their monthly rate. Any subsequent change to service made by such a grandfathered customer, however, will result in the loss of the grandfathering exception and will require that customer to upgrade to Touch Call Service.

<sup>2/</sup> PBX and Key Trunk rates include hunt or rotary service feature.

<sup>3/</sup> This service offering is experimental and is limited to the first 85 residential customers in the three (3) exchanges requesting this service. There will be no additional charge for the first thirty (30) outgoing calls within the local area per month. For messages in excess of thirty (30), there is an additional charge of \$0.08 per message. No service connection charge will apply for the first time that a customer transfers to or from this service.

\* Rates for Tier 1 Core Services are capped at current rates. Rates for Tier 1 Non Core Services are capped at current rates until 09/10/09. After 09/10/09, Tier 1 Non-Core rates can be increased to a maximum cap of double the initial rate, other than the second local exchange access line and call waiting, which are limited to a ten percent increase per year until they cap at double the initial rate. This pricing flexibility is in accordance with O.A.C. 4901: 1-4 and Alt Reg Case 07-848-TP-ALT effective 09/10/07.

<sup>1</sup> At the request of a customer that does not subscribe to the service on a monthly basis, access to this service on a Pay-Per-Use basis may be blocked. Such blocking will be provided at no charge to the customer.

<sup>2</sup> Call Trace will be offered on a subscription basis to all customers within the local service area. The customer will incur a usage charge each time Call Trace is successfully activated.

\* Rates for Tier 1 Core Services are capped at current rates. Rates for Tier 1 Non-Core services are capped at current rates until 09/10/09. After 09/10/09, Tier 1 Non-Core rates can be increased to a maximum cap of double the initial rate, other than the second local exchange access line and call waiting, which are limited to a ten percent increase per year until they cap at double the initial rate. This pricing flexibility is in accordance with O.A.C. 4901: 1-4 and Alt Reg Case 07-848-TP-ALT, effective 09/10/07.

## MISCELLANEOUS SERVICE ARRANGEMENTS

### N11 SERVICES

#### C. Conditions and Limitations (Cont'd)

18. The Company may take all legal and practical steps to disassociate itself from N11 Subscribers whose business and/or public conduct (whether demonstrated or proposed) is of a type that in the Company's discretion generates unacceptable levels of complaints by end users.
19. The Company will not be responsible for calls that cannot be completed as a result of repair or maintenance difficulties in Company facilities and equipment or on equipment owned or leased by the Subscriber.
20. The Company, its employees, or its agents are not liable to any person for civil damages resulting from or caused by any act or omission in the development, design, installation, operation, maintenance, performance or provision of N11 service, except for willful or wanton misconduct.
21. This service will also be subject to the general regulations of the Company as listed in Section 2 of this tariff.
22. The Company will make every effort to route 8-1-1 calls to the appropriate calling center; however it will not be held responsible for routing mistakes and errors, interruptions of service, or intervening acts of nature that interfere with telephone service. The Company's obligation under 8-1-1 applies solely to the transmission of the call and ends upon call completion to the designated point-to number.

#### D. Rates and Charges - \* Tier 1 Non-Core

(C)

N11 Subscribers will pay the normal tariffed charges for the local exchange access arrangements used for transporting and terminating messages at the N11 Subscriber's designated premises.
