RE: F.E.R.C. Docket # PF06-30

THE ROCKIES EXPRESS
PIPELINE IS NOT FOLLOWING
THE EXISTING PIPELINE CORRIDOR
& EXISTING EASEMENTS NORTH OF
INDIANAPOLIS, INDIANA. PLUS
NOT FOLLOWING F.E.R.C. GUIDELINES.

REX PIPELINES HAS METHODICALLY
WENT AHEAD AND SET UP
BUSINESSES, SO IT WOULD SEEM
LIKE THEY WERE NEEDED. HOWEVER,
THESE AREAS HAVE ABUNDANT NATURAL GAS.

THINGS I HAVE TO DO TODAY! ⁽²⁾

WE DON'T NEED THIS PIPE LINE
THREAT. THEY DON'T BELONG
HERE. OUR LITTLE AREA OF
VOLUNTEERS COULD NOT HANDLE
SUCH A THREAT OF DISASTER.
THIS PIPE LINE WOULD BRING
UPON U.S.

WE DON'T KNOW WHO IS BACKING
THIS UNLAWFUL DISREGARD
OF F.E.R.C. GUIDELINES. IT
COULD BE TERRORISTS FOR ALL WE
KNOW. THIS MUST BE CHECKED
BY PROPER AUTHORITY.

OUR REQUEST TO F.E.R.C. IS
KEEP ROCKIES EXPRESS
PIPELINE ~~THE~~ LLC IN
EXISTING PIPELINE CORRIDORS
AND EXISTING EASEMENTS.
ABOVE INDIANAPOLIS, INDIANA
THANK YOU.

THINGS I HAVE TO DO TODAY! ¹³

REX Pipeline is using the Cheapest Grade of Material allowed to go thru these rocky hills that shift + go thru valleys that flood on schedule many times each year.

Their lines are 42" and they have raised the PSI on these pipes from 1485 to 1800.

It scares us when people of authority tell us we are overdue for an earthquake and the Brookville Reservoir dam next to this proposed line

this REX Pipeline Flim-Flams-Beautifully, telling us they are eminent domain + they are coming thru no matter what

THINGS I HAVE TO DO TODAY! (4)

We have enclosed letters
passed to: Rockies Express
Pipeline LLC. that tells
how they operated with us.
And the same, I'm finding out
with others.

Yours truly,

J. K. Hamrey
