THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of Volunteer
Energy Services, Inc. for Certification as a } Case No. 03-1742-EL-AGG
Retail Electric Service Supplier. }

ENTRY

The attorney examiner finds:

- (1) On November 15, 2005, the Commission issued Certificate No. 03-108 to Volunteer Energy Services, Inc. (Volunteer) to provide governmental aggregation and power broker services. The expiration date for Certificate 03-108 is October 30, 2007.
- (2) On September 28, 2007, Volunteer filed a motion for an extension of the expiration date of its existing certificate. In its motion, Volunteer stated that, as a result of an inadvertent oversight, it failed to file its renewal application within the time frame set forth in Rule 4901:1-27-09(A), Ohio Administrative Code. Volunteer also indicated that, because it is in the process of moving its operations into new offices, information required to complete its application was not accessible.
- (3) The examiner believes that an extension of the expiration date of Certificate No. 03-108 to November 12, 2007, is warranted so that Volunteer's customers will not be adversely affected while its renewal application is under consideration.

It is, therefore,

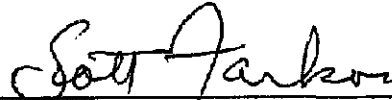

ORDERED, That Volunteer's motion for an extension of the certificate expiration date be granted. It is, further

ORDERED, That the October 30, 2007 expiration date of Certificate No. 03-108 be extended to November 12, 2007. It is, further,
