CP07-208-000 REX Pipeline East

The REX Pipeline folks have no shown any legal instruments at public meetings or other gathers with REX Pipeline folks.

Here are the items that I feel that should be on display for the public:

- 1) Study that shows the need for the REX Pipeline East
- 2) Financial Viability statements
- 3) Actually Surveys that are signed off by a licensed surveyor
- 4) Engineer drawing that are signed off by a licensed engineer
- 5) Copy of FERC Easement application
- 6) Verifiable copies of the liability insurance
- 7) Signed copy of their performance bond
- 8) A copy of what the REX Company Identification cards looks like for their employees and contractors.
- 9) Copy of their emergency preparedness plan
- 10) A copy of their environmental and ecological impact study
- 11) Copy of agreements with the companies that own the coal rights for the Belmont/Monroe County areas.
- 12) Methods of short term and long term compensation for land owners
- 13) Copy their community relations plans
- 14) Copy of the REX long term business plan, are they going to sell this pipeline once it is up and running or keep it for the duration of the projected 20 year life of the pipeline.
- 15) Copies of insurances that covers their employees and contractors actions.
- 16) A published statement of when and where meetings are going to take place.
- 17) Plus all other documents, signed, for public review
