Christine,

After further review, we have determined that the applicant does not need to file a SOS certificate for the parent company. Please go ahead and submit the correct application form. I am sorry that you were directed to the old form by another member of staff. We would also like you to file the Secretary of State certificates for American Fiber Network and CloseCall America.

Please let me know if you have any questions.

Thanks,

Ambrosia Logsdon

Christine,

After an initial review of this application, it has been determined that the applicant did not use the correct (updated) application form and the certification of the parent company to do business in Ohio from the Secretary of State was not provided. It appears that the certificate provided in the application was surrendered in 2004.

The correct application form can be found here: <http://www.puco.ohio.gov/PUCO/Forms/Form.cfm?id=4410>

Please submit these items to the docketing division no later than October 30, 2007.

Please let me know if you have any questions.

Thank you,

Ambrosia Logsdon
