Case No. 06-1358-EL-BGN

MOTION TO REQUEST EXTENSION OF TIME OF ELISA YOUNG

Elisa Young respectfully requests the Ohio Power Siting Board (OPSB) pursuant to Rule 4906-1-05 and any rules of the OPSB as well as Ohio law an extension of time to file her Petition to Intervene, Petition to file by fax and email, and Direct Testimony. Ms. Young's request is based on the following grounds: **1.) Ms. Young lives 3 hours' drive from Columbus.** Regular mail and Fed Ex takes longer than in most of Ohio, due to the rural nature of her community. The nearest town, Racine, has only one public internet line that Ms. Young will need to use since she doesn't have internet access OR a printer. **2.) Ms. Young's filing is only ONE day late.** Due to an inability to get to the only copy store, a 40 minute drive from home, Ms. Young was unable to Fed Ex the package in time. The copy store is only open until 11 p.m., and Ms. Young does not get out of work until 11 p.m., and it takes 40 minutes to get to the copy store, so she was unable to get there before closing. **3.) Ms. Young's participation is essential in this proceeding, since she is the most directly impacted person in the proceeding.** Her property, health, family, community are ALL directly impacted.

Respectfully submitted this 25 day of October, 2007.
