ANSWER OF
OHIO EDISON COMPANY

Comes now Respondent, Ohio Edison Company ("Ohio Edison"), by counsel, and for its Answer to the Complaint filed in the instant action says that:

1. Ohio Edison is a public utility, as defined by §4905.03(A)(4), O.R.C. and is duly organized and existing under the laws of the State of Ohio.
2. Complainant's Complaint consists entirely of a single conclusory, nonspecific sentence, *to wit*, "We are being billed for power usage at a previous address, that was not our responsibility."
3. Ohio Edison further avers that it has, at various times, provided electric utility service to Complainant at several premises under several different accounts. In light of this history, and given the brevity and nonspecific character of the Complaint, Ohio Edison can not determine with particularity the facts and circumstances underlying the Complaint. Accordingly, Ohio Edison denies the allegations of the Complaint.

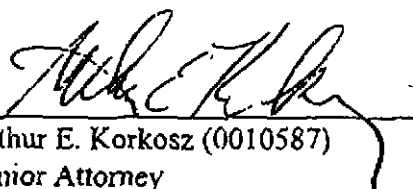

4. Ohio Edison further avers that it currently maintains Account 110052288989 in the Complainant's name, which account reflects charges incurred for the provision of electric utility service. A previous balance from an account for which Complainant had been responsible was transferred to Account 110052288989. Such transfer was effected lawfully and properly.

For its affirmative defenses, Ohio Edison further avers that:

5. Ohio Edison has breached no legal duty owed to Complainant.
6. Complainant has failed to state reasonable grounds for complaint or upon which its requested relief may be granted.
7. Ohio Edison has at all times acted in accordance with its Tariff, PUCO No. 11, on file with the Public Utilities Commission of Ohio, as well as all rules and regulations as promulgated by the Public Utilities Commission of Ohio, the laws existing in the State of Ohio, and accepted standards and practices in the electric utility industry.

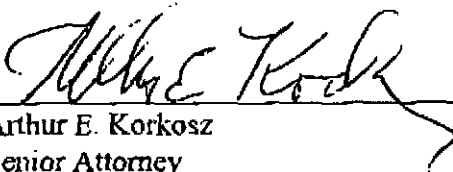

WHEREFORE, having fully answered the Complaint, Respondent, Ohio Edison Company, respectfully requests that the instant action be dismissed, and that it be granted any other relief that this Commission may deem just and reasonable.

Respectfully submitted,
