1.1 AMERITECH ISDN LOCAL CALLING VALUE PLAN (AILCVP)

A. DESCRIPTION

The Ameritech ISDN Local Calling Value Plan (AILCVP) is a local usage billing alternative. AILCVP offers ISDN Circuit Switched Service customers an optional discount on local usage generated on specified Ameritech ISDN Direct Service, Ameritech Centrex Service with ISDN or Ameritech ISDN Prime Service "B" Channels.

For a monthly price, AILCVP customers subscribe to a specified quantity of minutes-of-use (MOU), and receive a single per minute rate for voice and/or data "B" Channel usage on those channels comprising an Account Group. Minutes in excess of this quantity are billed at the selected Optional Usage Package (OUP) price. Packet usage is excluded from this plan.

B. DEFINITIONS

(T)

Account Group

Ameritech ISDN Direct Service, Centrex Service with ISDN, and Ameritech ISDN Prime Service "B" Channels that are served by the same Central office, billed to a single billing account number and are identified by the customer under a single AILCVP individual contract.

Commitment Level

A specified quantity of minutes-of-use (MOU) for which the customer subscribes and is billed monthly. The Commitment Level is selected from those offered by the Company and is applicable each month through the duration of the contract.

Commitment Term

Period selected by the Program Subscriber from those offered by the Company over which specified prices are paid. The Commitment Terms are available on a month-to-month basis or under twelve-month contractual agreements.

Issued: November 14, 2005

Effective: November 14, 2005

Optional Usage Packages (OUP)

Minute of Use quantity levels with corresponding price options, which represent the subscriber's commitment under the plan.

Program Subscriber (Subscriber)

A person or entity who has elected to purchase a specified quantity of local ISDN "B" Channel usage for a specific length of time, through the signing of an AILCVP contract.

C. TERMS AND CONDITIONS

(T)

1. AILCVP is available to all Ameritech ISDN Direct Service, Centrex Service with ISDN and Ameritech ISDN Prime Service "B" Channel customers on a month-to-month or contract basis. Prices are applicable per Account Group, and are distance and time-of-day insensitive.
2. AILCVP cannot be combined with any other local usage calling plan. The customer's selection of an AILCVP OUP is in lieu of all other Company discounts, including those automatically provided by the Company for this usage.
3. ISDN "B" Channels to be included in each AILCVP Account Group must be identified for each OUP option selection, at the time of commitment. "B" Channels added to or removed from established Account Groups will not alter the existing AILCVP contract terms.

(T)

C. TERMS AND CONDITIONS (cont'd)

4. Minutes of Use in excess of OUP Commitment Level will be billed at the elected OUP per minute price. Minutes in excess are determined by identifying the difference between the Commitment Level MOU quantity and the accumulated monthly minutes of use associated with the ISDN "B" channels identified in the Account Group. Only one OUP may be selected per Account Group.
5. AILCVP subscribers may initiate a move to a higher OUP level without penalty by signing a new agreement for an equal or longer Commitment Term. No credit toward the new OUP will be given for that portion of the former OUP which has been utilized.
6. The new payment period begins on the first bill date after the request is received.
7. Prices are not retroactive.
8. ISDN "B" Channel(s) can be relocated (where facilities permit as determined by the Company) anywhere within the same central office serving area without affecting the AILCVP Account Group, within the constraints defined above.
9. An OUP must be selected for each AILCVP Account Group established based upon the customer's predetermined estimated monthly voice and/or data usage and the selected Commitment Term.
10. In any month where the actual Account Group OUP usage is less than the Commitment Level, the customer will be billed for the full OUP Commitment Level minutes of use.

8. SIMPLELINK ENHANCEDSM

(N)

A. DESCRIPTION

SimpleLink EnhancedSM is an optional access and local usage volume discount plan for SBC Ohio business customers. Customers subscribing to SimpleLink Enhanced receive monthly discounts on eligible services based on the customer's Minimum Monthly Revenue Commitment (MMRC).

B. DEFINITIONS

Minimum Monthly Revenue Commitment (MMRC)

The minimum monthly revenue commitment that the customer must commit to in order to receive the volume discount.

Contributory Services

Those services whose revenue is counted towards achievement of the customer's selected MMRC.

Eligible Services

Those services that are eligible for discounts based on achievement of a specified MMRC.

C. TERMS AND CONDITIONS

MMRC revenue is the sum total of the customer's monthly billed charges, for services specified in the Company's SimpleLink Enhanced tariff, for all eligible business accounts located within the state, before discounts are applied.

Services contributing towards the MMRC include, except as noted below, all SBC Ohio regulated services (monthly recurring revenue, usage revenue, and Other Charges & Credits (OC&C), including fractionalized recurring and non-recurring charges), excluding the following, if applicable:

End User common Line (EUCL) surcharges, EUCL offset charges, Enhanced 9-1-1 (E911) surcharges, Handicap surcharges, Primary Interexchange Carrier (PIC) charges, Local Number Portability (LNP) charges, Infrastructure Maintenance Fees (IMF), Universal Service Fund (USF) surcharges, Federal & State Line Port charges.

Additionally any service provided by the Company's affiliates (other than SBC Ohio, Incumbent Local Exchange Carrier), charges for services provided by any other service provider and billed on behalf of that other service provider, and any other tax or charge imposed by local, state, or federal government entity are also excluded.

All of the accounts on a SimpleLink Enhanced agreement must reside in the same state. An eligible SimpleLink Enhanced customer may include up to, but not exceed, 10 of its accounts under one SimpleLink Enhanced agreement. A customer may have only one SimpleLink Enhanced agreement per state in the SBC Midwest region.

A SimpleLink Enhanced plan is not transferable to, or may not be assumed by, a customer or customers other than the customer of record without prior written consent of the Company.

SIMPLELINK ENHANCEDSM II (cont'd)

D. PRICES (cont'd)

4. Termination Liability

Customers terminating a SimpleLink Enhanced II plan prior to the expiration of the selected term period are subject to termination charges.

Termination charges are equal to 50% of the MMRC multiplied by the number of months remaining in the customer's term period. For a partial month, if the partial month revenue is less than the MMRC, the customer is liable for 50% of the difference between the MMRC and the actual billed revenue.

Termination liability charges are not applicable if during the SimpleLink Enhanced II term period the customer converts to another Company access or local usage plan with a term equal to or greater than the remaining SimpleLink Enhanced II plan, and the new revenue commitment is equal to or greater than the remaining SimpleLink Enhanced II revenue commitment.

Commission approval of the above termination liability language is not intended to indicate that the Commission has sanctioned any particular legal result should a dispute arise between the parties. In the event of a dispute, signatories to such contracts may pursue whatever legal remedies they deem appropriate to resolve the dispute.

Customers who have their business network access line(s) with a competitive local exchange carrier within the SBC Illinois, SBC Indiana, SBC Michigan, SBC Ohio, or SBC Wisconsin service area and who now wish to establish their business network access line service with the Company will receive a one-time waiver or refund of the termination charges associated with early termination of a previous SimpleLink or SimpleLink Enhanced agreement for the purpose of establishing service with another carrier if they return to the Company and sign a new SimpleLink Enhanced II agreement. The new SimpleLink Enhanced II term period must be greater than or equal to that of the terminated plan and the new revenue commitment equal to or greater than the revenue commitment under the terminated plan. Eligible customers must, also, have refused or not responded to a previous SimpleLink Enhanced II offer. In addition, the customer's former account must not have been disconnected for nonpayment, and no money is owed the Company for any past due bills for regulated service, other than the termination charge. In addition, the "Bill Name" must be the same as on the prior Company account. Customers may take advantage of this offer only once.

1. MONTHLY EXCHANGE SERVICES (cont'd)

1.1 ISDN Local Calling Value Plan

A. Description

The ISDN Local Calling Value Plan (ILCVP) is a local usage billing alternative. ILCVP offers ISDN Circuit Switched Service customers an optional discount on local usage generated on specified ISDN Direct Service, Centrex Service with ISDN or ISDN Prime Service "B" Channels. (T)

For a monthly price, ILCVP customers subscribe to a specified quantity of minutes-of-use (MOU), and receive a single per minute rate for voice and/or data "B" Channel usage on those channels comprising an Account Group. Minutes in excess of this quantity are billed at the selected Optional Usage Package (OUP) price. Packet usage is excluded from this plan. (T)

B. Definitions

Account Group

ISDN Direct Service, Centrex Service with ISDN, and ISDN Prime Service "B" Channels that are served by the same Central office, billed to a single billing account number and are identified by the customer under a single ILCVP individual contract. (T)

Commitment Level

A specified quantity of minutes-of-use (MOU) for which the customer subscribes and is billed monthly. The Commitment Level is selected from those offered by the Company and is applicable each month through the duration of the contract.

Commitment Term

Period selected by the Program Subscriber from those offered by the Company over which specified prices are paid. The Commitment Terms are available on a month-to-month basis or under twelve-month contractual agreements.

1. MONTHLY EXCHANGE SERVICES (cont'd)

1.1 ISDN Local Calling Value Plan (cont'd)

(T)

B. Definitions (cont'd)

Optional Usage Packages (OUP)

Minute of Use quantity levels with corresponding price options, which represent the subscriber's commitment under the plan.

Program Subscriber (Subscriber)

A person or entity who has elected to purchase a specified quantity of local ISDN "B" Channel usage for a specific length of time, through the signing of an ILCVP contract.

(T)

C. Terms and Conditions

1. ILCVP is available to all ISDN Direct Service, Centrex Service with ISDN and ISDN Prime Service "B" Channel customers on a month-to-month or contract basis. Prices are applicable per Account Group, and are distance and time-of-day insensitive. (T)
2. ILCVP cannot be combined with any other local usage calling plan. The customer's selection of an ILCVP OUP is in lieu of all other Company discounts, including those automatically provided by the Company for this usage. (T)
3. ISDN "B" Channels to be included in each ILCVP Account Group must be identified for each OUP option selection, at the time of commitment. "B" Channels added to or removed from established Account Groups will not alter the existing ILCVP contract terms. (T)

1. MONTHLY EXCHANGE SERVICES (cont'd)

1.1 ISDN Local Calling Value Plan (cont'd)

(T)

C. Terms and Conditions (cont'd)

4. Minutes of Use in excess of OUP Commitment Level will be billed at the elected OUP per minute price. Minutes in excess are determined by identifying the difference between the Commitment Level MOU quantity and the accumulated monthly minutes of use associated with the ISDN "B" channels identified in the Account Group. Only one OUP may be selected per Account Group.
5. ILCVP subscribers may initiate a move to a higher OUP level without penalty by signing a new agreement for an equal or longer Commitment Term. No credit toward the new OUP will be given for that portion of the former OUP which has been utilized. (T)
6. The new payment period begins on the first bill date after the request is received.
7. Prices are not retroactive.
8. ISDN "B" Channel(s) can be relocated (where facilities permit as determined by the Company) anywhere within the same central office serving area without affecting the ILCVP Account Group, within the constraints defined above. (T)
9. An OUP must be selected for each ILCVP Account Group established based upon the customer's predetermined estimated monthly voice and/or data usage and the selected Commitment Term. (T)
10. In any month where the actual Account Group OUP usage is less than the Commitment Level, the customer will be billed for the full OUP Commitment Level minutes of use.

Issued: November 15, 2007

Effective: November 15, 2007

C. Terms and Conditions (cont'd)

11. Minimum Revenue Guarantee (MRG) is a guarantee by the subscriber to pay for a minimum amount of ILCVP usage (per OUP selected) each month through the duration of the Commitment Term. The MRG is equal to the applicable selected OUP price times the Commitment Level MOU, times the number of months remaining in the Commitment Term. (T)

The MRG applies to each ILCVP Account Group. (T)

Where subscribers have aggregated usage billing (multiple billing accounts on a single bill), the same MRG will apply, individually, to each billing account.

8. SIMPLELINK ENHANCEDSM

A. Description

SimpleLink EnhancedSM is an optional access and local usage volume discount plan for AT&T Ohio business customers. Customers subscribing to SimpleLink Enhanced receive monthly discounts on eligible services based on the customer's Minimum Monthly Revenue Commitment (MMRC). (T)

B. Definitions

Minimum Monthly Revenue Commitment (MMRC)

The minimum monthly revenue commitment that the customer must commit to in order to receive the volume discount.

Contributory Services

Those services whose revenue is counted towards achievement of the customer's selected MMRC.

Eligible Services

Those services that are eligible for discounts based on achievement of a specified MMRC.

C. Terms and Conditions

MMRC revenue is the sum total of the customer's monthly billed charges, for services specified in the Company's SimpleLink Enhanced tariff, for all eligible business accounts located within the state, before discounts are applied.

Services contributing towards the MMRC include, except as noted below, all AT&T Ohio regulated services (monthly recurring revenue, usage revenue, and Other Charges & Credits (OC&C), including fractionalized recurring and non-recurring charges), excluding the following, if applicable: (T)

End User common Line (EUCL) surcharges, EUCL offset charges, Enhanced 9-1-1 (E911) surcharges, Handicap surcharges, Primary Interexchange Carrier (PIC) charges, Local Number Portability (LNP) charges, Infrastructure Maintenance Fees (IMF), Universal Service Fund (USF) surcharges, Federal & State Line Port charges.

Additionally any service provided by the Company's affiliates (other than AT&T Ohio, Incumbent Local Exchange Carrier), charges for services provided by any other service provider and billed on behalf of that other service provider, and any other tax or charge imposed by local, state, or federal government entity are also excluded. (T)

COMPLETELINK® 2.0 (cont'd)

C. Terms and Conditions (cont'd)

A customer's maximum MMRC volume discount for each commitment level may not exceed \$85 per month.

All of the accounts on a SimpleLink Enhanced agreement must reside in the same state. An eligible SimpleLink Enhanced customer may include up to, but not exceed, 10 of its accounts under one SimpleLink Enhanced agreement. A customer may have only one SimpleLink Enhanced agreement per state in the 5-state Company Midwest region. (T)

A SimpleLink Enhanced plan is not transferable to, or may not be assumed by, a customer or customers other than the customer of record without prior written consent of the Company.

The customer's term commences the day after the service is "activated" by the Company. The date activated shall be the date the order installing the plan is completed in the Company's billing system.

4. Termination Liability

Customers terminating a SimpleLink Enhanced II plan prior to the expiration of the selected term period are subject to termination charges.

Termination charges are equal to 50% of the MMRC multiplied by the number of months remaining in the customer's term period. For a partial month, if the partial month revenue is less than the MMRC, the customer is liable for 50% of the difference between the MMRC and the actual billed revenue.

Termination liability charges are not applicable if during the SimpleLink Enhanced II term period the customer converts to another Company access or local usage plan with a term equal to or greater than the remaining SimpleLink Enhanced II plan, and the new revenue commitment is equal to or greater than the remaining SimpleLink Enhanced II revenue commitment.

Commission approval of the above termination liability language is not intended to indicate that the Commission has sanctioned any particular legal result should a dispute arise between the parties. In the event of a dispute, signatories to such contracts may pursue whatever legal remedies they deem appropriate to resolve the dispute.

Customers who have their business network access line(s) with a competitive local exchange carrier within the AT&T Illinois, AT&T Indiana, AT&T Michigan, AT&T Ohio, or AT&T Wisconsin service area and who now wish to establish their business network access line service with the Company will receive a one-time waiver or refund of the termination charges associated with early termination of a previous SimpleLink or SimpleLink Enhanced agreement for the purpose of establishing service with another carrier if they return to the Company and sign a new SimpleLink Enhanced II agreement. The new SimpleLink Enhanced II term period must be greater than or equal to that of the terminated plan and the new revenue commitment equal to or greater than the revenue commitment under the terminated plan. Eligible customers must, also, have refused or not responded to a previous SimpleLink Enhanced II offer. In addition, the customer's former account must not have been disconnected for nonpayment, and no money is owed the Company for any past due bills for regulated service, other than the termination charge. In addition, the "Bill Name" must be the same as on the prior Company account. Customers may take advantage of this offer only once. (T)

6. Waiver Allowance

(T)

Customers who have their business network access line(s) with a competitive local exchange carrier within the AT&T Illinois, AT&T Indiana, AT&T Michigan, AT&T Ohio, or AT&T Wisconsin service area and who now wish to establish their business network access line service with the Company will receive a waiver of normally applicable Service Ordering, Line Connection, and Central Office nonrecurring charges (NRC's) associated with local exchange access lines and, if applicable, vertical features ordered at the time of initial subscription to a SimpleLink Enhanced II plan. Example: Customer has a CompleteLink® 2.0 \$25,000 MARC, 3-year agreement, with 18 months remaining. MARC attainment in current year is 60%. A customer replaces its Analog Trunks to ISDN Prime, which would result in an annual spending reduction of \$4,000 from what was spent for the Analog Trunks. At the time of the new contract, the CompleteLink® 2.0 tariff reflects the next lower MARC to be \$18,000, so the customer may terminate its \$25,000 MARC agreement without liability if it enters into a new 2-year (24 month) CompleteLink® 2.0 agreement at the \$18,000 MARC. The applicable discount will be that available with the \$18,000 commitment level.
