EXHIBIT C

AT&T Communications of Ohio, Inc. (AT&T) is filing this application to increase the surcharge for Prepaid Phone Card service from a payphone. This filing increases the surcharge to 35 minutes and expresses it in minutes to more accurately reflect how the Prepaid Card process works.

The customer is informed of the rate in two ways:

1. the maximum rate is disclosed in the terms and conditions printed on the back of the card
2. the actual charge is provided to the customer via an IVR message anytime and every time they originate a call from a payphone. The actual charge quoted is in minutes.

This tariff applies to AT&T Direct Prepaid cards only and not cards sold through other retail vendors.
