Re: Case No. 070206-GA-AIR, *In the Matter of the Regulation of the Purchased Gas Adjustment Clause contained Within the Rate Schedules of Brainard Gas Corporation*

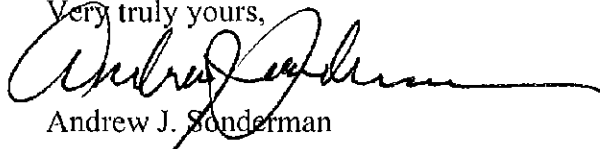

Dear Ms. Jenkins:

On November 26, Staff and the Company filed an Amended Joint Stipulation and Recommendation. That document reflected at Stipulation Exhibit 1an actual adjustment of (\$451.95). However, at page 4 of the Amended Joint Stipulation, the AA was not correctly carried forward to the summary in Paragraph F(1), resulting in an incorrect reconciliation adjustment. Staff and the Company agree that the actual adjustment of (\$451.95) is correct as reflected on Stipulation Exhibit 1, and that Paragraph F(1) should read as follows:

Brainard shall make an adjustment of \$1,667.73, decreasing the GCR rate in the first GCR filing following the Opinion and Order in this case. This is the cumulative effect of a reconciliation adjustment of (\$451.95), and a reconciliation adjustment of (\$1,215.78) to the BA to correct differences in those components of the GCR that are not self-correcting.

Please contact me with any questions you may have.

Very truly yours,

Andrew J. Sonderman
