- A. ~~Assuming the Commission approves the Stipulation reached by most of the parties to this case on April 9, 2007, we will comply with the following provision of that Stipulation: “Rider SRT will be updated with the first billing cycle of the month following Commission approval of this Stipulation...” (April 9, 2007, Stipulation, page 7). At this time, however, it is unknown when the Commission will issue its order in the Remand Case.~~

The Company has included recovery of its 2007 Rider SRT revenue requirement in its December 1, 2007, filing for 2008 Rider SRT. Consequently, the 2007 Rider SRT revenue requirement will be recovered during calendar year 2008.
